

Work Progresses At Arena, Spike Rumor Of Pay

The welding chore at the Newmarket rink is continuing at top speed. Over three miles had been completed by Tuesday evening. Everybody is getting into the act, aldermen, bankers, engineers, students, hockey players, factory employees, the man on the street. The list is swelling nightly, a healthy indication of growing community interest.

A current rumor to the effect that the welders are being paid is absolutely untrue. These chaps, particularly Howard Newton and Morris Crowder, are doing it free, saving the town many dollars in welding costs. Matter of fact, there were times when they could have been working elsewhere and begged off in order to keep the arena progress up to date. It's a voluntary contribution by all welders and assistants.

Office Specialty employees follow the Canadian Hoffman in the way of voluntary effort. Here's a further list of volunteers this week, councillors Lorne Paynter and Tom Birrell, Bob Wallace, Myron Spaulding, Murray McDonald, Rex Barker, Don Brown, Dennis Bosworth, Jack Beattie, Les Woolven, Ed Gibson, Geo. Watt, Geo. Stuart, Morley Lepard, Jack Duncan, Roy Smalley, Bill Haskett, Joe Tunney, Deb Cooper. We'll have more to add to this as time goes along.

Work on the front extension is proceeding this week. Concrete block is being laid. At one time it was hoped this section, housing dressing rooms, etc., could be completed in red building tile, like the Barrie arena, but delivery couldn't be obtained until January. Next item is the placing of the boiler for the heating system. A small portion of the ice-making equipment has arrived with more to follow as required.

Chairman Fred Thompson, in touch with the Canadian Ice Machine Company, expects their man to be on the job the latter part of the week to check progress.

The town council has approved a commission to manage the arena. Representing the town council will be Bert Morrison and Tom Birrell; town merchants Bill Geer and Ray Jelley; recreation commission J. B. "Jim" Walker; factory management, Dewey Kuhns; factory employees,

Seek Aurora H.S. For Public School

The Aurora public school board intends to purchase the Aurora high school for use as a public school when the new high school is built, according to the public school board chairman, Dr. E. J. Henderson.

"We plan considerable reconstruction to make the high school building practical for a public school," he said. Included in the plans is an addition of a solarium kindergarten.

The high school area board plans the construction of a new high school on the Dunning property at a total cost of over \$500,000. The area board's proposal was approved last week by the town council.

Lieut. Davis Edwards On Swansea Cruise

With the R.C.N. frigate Swansea on her cruise to northern waters recently was a Newmarket man, Lieut. Davis Edwards, son of Dr. and Mrs. J. C. R. Edwards. The Swansea's trip was farther north than any other Canadian navy ship and part of her trip called for the longest towing job when she brought back an R.C.A.F. vessel from Hudson Bay waters to Goose Bay, 1,000 miles away. Lieut. Edwards lives in Halifax.

Leo Cull.

Work at the rink continues on Friday evening and Saturday afternoon. Starting time in the evening around 6.30 and Saturday morning at 8 a.m. Meals are being served the workers by a volunteer group of ladies.

LEAVE VALUE OF HYDRO SITE TO APPRAISER

A special council meeting in Aurora Monday night saw agreement on procedure for the establishing of a price on the public school property wanted by the Aurora hydro commission for the construction of a new hydro sub-station. Earlier, efforts by the hydro commission to obtain land from the board and from the Board of Trade had been frustrated by failure to agree on price.

At the special meeting, it was agreed to ask an independent valuation of the school board land as a means of establishing a fair price. The board has asked \$82 a foot for part of its present school grounds. The Board of Trade had asked \$200 a foot for part of its land south of the post office. The Ontario Hydro Commission had established \$3,000 as the maximum price it would pay for a site.

The new sub-station is essential to plans for a change from 25 cycle to 60 cycle power.

Forty were present at the meeting which was marked by a spirit of co-operation. Mayor Dr. Crawford Rose was in the chair. Present were Aurora council members, representatives of the school board, the planning board, the Board of Trade and the hydro commission.

New Capital Cleaners Under New Ownership

The change of ownership of the New Capital Cleaners, now located at 19 Main St., Newmarket, was announced this week. The new owner is R. H. Redhead and J. Toporoski. The cleaners and dye plant was formerly under the ownership of Mr. Redhead and Albert Linden.

Mr. Linden is with Newmarket Lingerie on Davis Dr. Mr. Toporoski has been employed at the New Capital Cleaners before coming a partner in the business.

Newmarket Assistance 'Always Inspiration'

Bob Griffiths, young Englishman whose neck was fractured in a swimming accident shortly after arriving in Canada, has left Newmarket for the home of friends in Oshawa where he will be doing light work by day and attending night school in the evening.

Bob was greatly assisted after his accident by Era and Express readers who contributed close to \$200 to a fund established by this paper. He has been spending a period of convalescence at the home of Mr. and Mrs. Bill Johnson, Gorham St., who have been most generous with their assistance to Bob and his fiancée, Dorothy Roberts.

"In Canada there is almost endless opportunity," Bob told the editor before he left. "While I was recovering from my accident, I had the opportunity to think things over and I am going to study engineering. I'll never forget how I was treated in Newmarket. It will be an inspiration for the rest of my life."

Final contributions to the Griffiths fund, yet to be acknowledged, were from Mrs. M. Hicks, \$2, Mrs. Fred Hoover, \$1, Mrs. F. W. Keetch, \$2, and an Englishman, \$2.

A. E. L. Maughan, Aurora insurance and travel agent and realtor, was unanimously elected director of the Ontario Insurance Agents Association in charge of district 2 which includes Kitchener, Midland, Orillia, Oshawa, Owen Sound and the counties of Grey, Bruce, York and Guelph.

The diabetic survey started on Monday at the St. John's school. At St. John's, 100 percent of the school was tested and the survey work is now being continued at the Stuart Scott school. First ones to be tested in Newmarket are shown above being tested by technicians. Left to right are Sheila McLaren, Roxie West, Patricia Quinn, Betty Daly and Frances Seton. Photo by Budd

Council Approves Rink Commission Qualify for Grant

The Newmarket arena was officially established as a memorial community centre Monday night when the council passed the by-law that entitles the centre to a \$5,000 grant from the department of agriculture.

The by-law also established a board for the administration of the arena. Appointed members are William Geer, Ray Jelley, J. B. Walker, D. Kuhns, Leo Cull, Tom Birrell and R. C. Morrison.

There was a long discussion as to the qualification of board members according to the act and whether there should be a woman on the board. Councillor Lorne Paynter was the only one who held out for the appointment of a woman to the board. He said that women's organizations had devoted much effort and money towards the establishment of artificial ice in the arena.

The members of the board were appointed from several sources. The ways and means committee for artificial ice appointed William Geer and Ray Jelley, representing businessmen. The recreation commission appointed J. B. Walker; factory management is represented by D. Kuhns; the factory workers are represented by Leo Cull and council appointed Mr. Birrell and Mr. Morrison.

The act covering the grant states that the board must be made up of officers of town organizations. The question to council was whether businessmen and others could be classified as officers of organizations. The act was acquired and read at the meeting but council finally decided to pass the by-law and if it were necessary later, a new one would have to be passed to qualify for the act.

POPULATION 4,799

The population of Newmarket is now 4,799 according to the most recent statistics. Town clerk Wesley Brooks stated the figure according to the 1949 assessment, at a meeting of the town council Monday night.

North York Plowmen Compete At Q'ville

The 26th annual plowing match was held yesterday by the North York Branch of the Ontario Plowmen's Association on the Oliver Diceman farm north-east of Queensville. The contestants had the same spirit of competition which is usual at plowing meets throughout Ontario.

Among the prizewinners were William Hooton, of Ida, near Peterborough, who was the oldest plowman at 70 and Doug Hamilton, age 8, Ravenshoe, the youngest. The only girl plowing was Catherine Diceman, Queensville. Ron Marquis, Sunderland, one of the two plowmen at the International match at Brantford who won a trip to the British Isles next January, took first prize yesterday in class one, sod-open jointers.

In the evening after the match, a banquet was held at the Sharon Hall where prizes were given out. W. M. Cockburn, department of agriculture representative, commented "The straight furrow is not talked

Elect A. V. Elphinstone Veterans President

A. V. Elphinstone was elected president of the Newmarket Veterans' Association at a general meeting held on Oct. 13. Honorary president is Capt. Aubrey Davis, hon. vice-pres., Col. W. P. Mulock, and Major Lex McKenzie, M.L.A.

Other officers for the coming year are:

First vice-pres., Frank Keats, second vice-pres., Albert Linden, sec., Wm. Haskett, treas., Horace Hiscox, rec. sec., Wm. Blight, padres, Rev. Henry Cotton, Rev. Father McCabe, welfare, E. Mitchell, social, E. G. Lee, recreation, Jack Wright, memorials, Frank Keats, property, George Cable, sports, Fred Dillman, pensions, Bert Ward and Arthur Evans.

The association is holding a social evening in Club 14, Millard Ave., on Thursday, Oct. 27, at 8 p.m., when the installation of officers for the year will be made. There will be entertainment and refreshments for everyone. All members and their wives are urged to attend.

EYE INJURED

Wilfred Oliver, Newmarket, suffered a serious accident while working on his new house in the Sunny Hills sub-division on Oct. 10, Thanksgiving Day. When his glasses were broken the pupil of his right eye was cut. Mr. Oliver underwent an operation at Western hospital where he remained a patient until Tuesday, Oct. 18. The eye needs further treatment, but it is felt certain that the sight has not been impaired and a speedy recovery assured.

No Holiday Nov. 11, Plan 11 a.m. Service

A cenotaph service will be held on November 11 in Newmarket, according to the Canadian Legion branch. Although council did not proclaim a remembrance day holiday, the mayor instead, invites the citizens of the town to attend the cenotaph with the town council and lay wreaths in memory of the war dead. Further details have been promised by the mayor, according to the Legion.

A bus load of Legion members and Ladies' Auxiliary members with color parties attended the District E convention last Sunday. Harry Glover, Orangeville, was the chairman of the convention. A church parade, luncheon and business session made up a full convention day.

X before the license number of an airplane denotes that the plane is licensed for experimental purposes.

Praise Response As Survey Begun In Schools

The diabetic survey of Newmarket is making good progress in its initial week. Starting at the St. John's school on Monday a doctor and two nurses completed the school with 100 percent of the pupils tested. The survey team is now at the Stuart Scott school.

100 Percent Established By St. John's School In Diabetic Survey

One-hundred percent is the record of the St. John's school in its participation in the diabetic survey which began in town on Monday. In charge of the survey is Dr. Chute, Toronto, who has with him a mobile unit staffed with research workers.

"St. John's school, being the smallest in town, seemed to be the logical starting point and the utmost in co-operation has been received from Rev. T. J. McCabe, the teaching staff, the parents and the pupils," said Dr. Gordon Cook, chairman of the survey committee. The next school being tested is the Stuart Scott school.

INJURES FINGER

Jim Fisher badly injured a finger Saturday morning.

2 Attack Constable, Free Prisoner Watchers Do Nothing

While escorting an arrested man to the Aurora police office early Sunday morning, Constable William Langman, Aurora, was "jumped" by two unidentified men in a dark alley. Although he managed to subdue one of his assailants, the other kicked him in the face, badly bruising his eye. All three escaped, but the arrested man, an Aurora youth, was recaptured a few minutes later.

Red Shield Salvage On October 24, 25

The usual fall canvass for salvage materials, clothing, furniture, etc., of the Salvation Army will take place in Newmarket on Monday and Tuesday, Oct. 24 and 25.

The Salvation Army Red Shield social service truck will be in town. Leave your name and address at the Era and Express office and the driver will pick up your donation of material. This effort is to help with the carrying on of the Red Shield social service for which the Army is so well known. Your donation will be appreciated.

TREE CUTTING

Arnold Reinke, Cedar Valley, will begin cutting his Scotch pines for the Christmas trade by the first of the month. Early cutting is permitted by the way the Scotch pine holds its needles. Mr. Reinke has two stands, at Cedar Valley and Uxbridge and expects to cut 25,000 trees this year.

North York Plowmen Compete At Q'ville

Class nine, tractors in stubble (Open to those who had never won a prize at a match with tractor): Glen Byer, Stouffville; Elgin Cole, Ravenshoe; H. Wardell, Queensville; Carl Smith, Mount Albert; Nelson Buchanan, Unionville; Bordon Brumell, Gormley.

Class ten, tractors in stubble (row crop tractors only): N. Tynan, Richmond Hill; G. Wells, Stouffville.

Class eleven, tractors open in stubble (boys 15 years and under): Carl Timbers, Stouffville; D. Dunkeld, Claremont; J. Heacock, Schomberg; Jim Hamilton, Sutton West; Doug Hamilton, Ravenshoe.

Prize for the best team and equipment went to Sheldon Walker, Newmarket; Salada Tessa special, W. K. Thomas; Esso tractor, H. J. Coughwaite; Esso horse, Carl Timbers, Aurora; best going team in sod, D. Thompson; best going team in stubble, Ed. Timbers.

Many spectators were reported nearby but none came to the constable's assistance.

According to Constable Langman he was called to Dan's Cafe on Yonge St. around 1 a.m. Sunday. As he was leaving the restaurant he saw a crowd of around 30 teen-agers milling about outside. "I told them to move on," said the constable, "but one became obstreperous". Constable Langman arrested the youth and started with him to the police office.

While passing the alley next to the Ontario Provincial Police office he was attacked by an unidentified man. "We struggled in the dark alley," the constable related, "and eventually I subdued him. I had the man down and was attempting to handcuff him when another man stepped out from the shadows and kicked me in the face."

Although the men escaped, the youth was recaptured shortly. Lodged in Newmarket jail, he will appear in Newmarket court Friday. The four-foot alley in which the surprise attack occurred was completely dark. The provincial police were unable to come to Constable Langman's assistance immediately as only one man was on duty in the office at the time, and was unable to leave his post at the radio. A cruiser arrived to assist the officer, but by this time the men had escaped. The youth is charged with obstructing the police.

Moot Postal Delivery For Newmarket

Postal delivery will be sought for the town by the Newmarket council shortly. The town has tried several times before to acquire delivery service from the Post Office Department without success.

"When you think of how far people here have to walk for their mail, it is time we pressed for postal delivery," declared Reeve A. D. Evans. Such places as Connaught Garden and Armistage Heights sub-divisions were cited as areas that needed mail delivery.

The population has increased to 4,799 since the last attempt to acquire a delivery. One councillor pointed out, however, that a postman cannot be made to deliver mail where there are no sidewalks.

NOTICE

For many years I have enjoyed the privilege of looking after the painting and decorating requirements of many customers in this area.

This has been a pleasure and it is with reluctance that on account of ill health, I am forced to retire.

HARLEY MORTON, who has had eight years' experience, is taking over my work. He is fully competent in all phases of the painting trade including grafteding, glazing, lining, etc.

It is my hope that you will give him your loyal support as I am sure he will give you excellent workmanship and satisfaction.

Signed

JOSEPH RETTER

VANDORF

Mr. and Mrs. Arnold Gardhouse, Janet, Bill and Coleen, Thistleton, and Miss Margaret Jenkins, Toronto, visited on Sunday Mr. and Mrs. W. H. Kingdon and Bill.

Mr. and Mrs. Herbert Oliver had Sunday dinner with Mr. Oliver's mother, Mrs. Percy Alin, Aurora.

Mr. and Mrs. Archie Dike, Hope, were Sunday guests of Mr. and Mrs. J. Oliver.

Mr. and Mrs. George Richardson, Mr. and Mrs. Grant Morley and Billie, Miss Mary Grove, Ringwood, Mr. and Mrs. H. A. White and family attended the dedication services on Sunday at York Mills Anglican church in connection with the opening of a new wing and the unveiling of several windows, one of which was in memory of Mr. H. White's parents and grandparents, Mr. and Mrs. James White and Mr. and Mrs. William White.

"Lucky" won first and reserve prize at the London Dog Show. He is owned by Mr. and Mrs. Joe Sullivan.

Mr. Hoar, Toronto, spent the weekend with Mr. and Mrs. Joe Sullivan.

Mr. and Mrs. Bert Baber and boys spent the weekend with Mrs. Jack Baber, Burlington.

Mr. and Mrs. Alline, Queensville, and Mr. and Mrs. Campbell, Toronto, spent Sunday with Mr. and Mrs. Rollie Scott and boys.

Mr. and Mrs. Robt. Carr visited one evening last week Rev. and Mrs. John Addison.

Mrs. Steve Eade entertained a number of ladies to a brush demonstration on Thursday evening.

Mrs. Alf. Pattenden and Muriel spent Sunday with their daughter and sister, Mrs. Roy Smith, and Mr. Smith.

Miss Wilma Powell, Toronto, spent the weekend with Mr. and Mrs. Harry West.

Wesley W.A. and choir are sponsoring a turkey supper to be held Wednesday evening, Nov. 9. Tickets are on sale. Anyone wishing to have one, get in touch with members of the W.A.

Several from this community attended the anniversary services at Mount Pisgah.

Morning devotions will be conducted by Rev. G. W. Lynd, Downview, also was a former pastor of Wesley United church. His services will commence on Monday morning, Oct. 24, 8.15, CBL.

Anyone who wishes to donate anything to the Women's Institute boxes for overseas such as fats, meats, sugars or cake-mixes, please leave with Mrs. J. Wright or Mrs. H. White.

KESWICK

Mr. and Mrs. Jim Bell, also Miss Patti Connell and friend, visited in Keswick on Sunday.

Mrs. Wm. George, Victoria, B.C., is visiting at the home of her parents, Mr. and Mrs. J. Harper.

Mr. and Mrs. Maurice Fisher, Toronto, visited his uncle and aunt, Mr. and Mrs. B. Ward, on Sunday.

The women of the United church had a quilting bee at the church Tuesday of this week.

Mr. and Mrs. Orvin Huntley have returned from a motor trip to Rochester, N.Y.

On Sunday, Oct. 30, Rev. C. E. Fockler will be guest speaker at the United church anniversary services.

On October 23, Mr. Gordon Winch will speak in the United church and tell of his work on a western home mission field.

The Christian church anniversary services will be on Sunday, Oct. 23. Rev. C. H. Way of Toronto will have charge of the morning service and Rev. D. C. Percy, home on furlough from the mission fields, will preach at the evening service. Special music has been arranged for morning and evening.

Mrs. Wm. George, Vancouver, is here on a visit with her parents, Mr. and Mrs. Jack Harper.

Mr. and Mrs. Ernest Morton and daughter of Newmarket were calling on friends here on Sunday.

Miss Joy Marritt, Toronto and Keswick, left last week to visit relatives in Texas, U.S.A.

Mrs. Ward Johnston, New York, spent Thanksgiving at the Peel home.

Miss Kathleen Peel, Reg. N., left last Saturday for the University of Colorado Medical Centre, Denver, where she expects to spend the winter.

MOUNT PLEASANT

Every person seems to be enjoying the lovely summer weather.

Mrs. Wm. Moulds and Mrs. Lenny visited Mrs. Claude York on Friday afternoon.

Mr. and Mrs. Alex. Hopkins and Mr. and Mrs. Norman King, Belhaven, attended the plowing matches at Burford near Brantford last week.

Mr. Ivan Bailey and family moved to their new home on Monday and Mr. Lloyd Stiles' family have moved to the Hodgins house on the 4th con.

Glad to report that Mr. Geo. Fairbairn is much better.

MOUNT ALBERT

Hartman United church will celebrate the 50th anniversary of its congregation on Sunday, Oct. 23, and at 3 p.m., Rev. Douglas Davis of Stouffville will be the guest speaker and Mrs. McKinnon and Mrs. Crocker of Toronto, the visiting soloists. At 7.30 p.m., the pastor, Rev. C. P. Shapter, will take the service and Mount Albert choir will assist with the music.

Sunday, Oct. 30, will be anniversary services at Mount Albert United church and Rev. Dr. H. O. Hutcheson of Shelbourne, a former pastor, will be the guest speaker at both morning and evening services. Don Watson, Aurora, will be guest soloist in the morning and a male quartet from Orillia will sing at the evening service.

Mrs. Horace Brown and Mrs. W. Storch returned last week from a five-month trip to Scotland and England. They came on the S.S. Aquitania and landed at Halifax after a rather stormy trip. However, they have had a lovely visit with relatives and are glad to be back safe and sound.

Miss Eva Harrison, Reg. N., Toronto, spent the weekend at her home in town.

Rev. Harold Wellwood, Richmond Hill, spoke to Mount Albert congregation on Sunday in the cause of temperance. He urged all church people to take more interest in this subject which means so much to everyone, especially the young. It has come to be a very serious problem and he asked everyone to give to help fight this terrible thing and to also pray more.

More and more clothing and bedding are needed to help the countries across the sea and will be sent through the community church drive. Leave these at Theaker's Store. Money is also needed to send them.

Dr. and Mrs. Allan, Dr. Fleming and Mrs. Lee spent Sunday with Dr. C. T. Harrison.

Mr. and Mrs. Roy Carr spent Sunday in Oshawa with their cousin, Mrs. Ruth Cook, and family.

Don't forget the Cheerio Club bazaar on Nov. 26 in the basement of the United church.

Mr. and Mrs. L. W. Boden, Oshawa, Mrs. W. Boden, Hartman, Mrs. T. Boden spent Sunday with Mr. and Mrs. Garnet Pegg at Beeton.

Mr. and Mrs. W. R. Draper spent Sunday at Toronto.

Mr. and Mrs. Lorne Paisley, Mr. and Mrs. C. Paisley and Marie spent the weekend with Mr. and Mrs. Stuart Paisley at Muskoka.

On Friday, Nov. 4, the Davie family of London will put on a fine concert in the United church. Do not miss this concert.

Since the rains came the display of flowers around town have been good. Mr. Stan Risebrough has had a beautiful dahlia plant you should walk up the hill to see and Mrs. W. L. Caruthers has a wonderful display of 'mums, certainly something to be proud of and worth seeing.

Mr. and Mrs. John Olsson and Mary, Toronto, were Saturday guests of Mr. Olsson's mother. The teenagers will not forget the party on Thursday, Oct. 27, in the hall. The committee in charge is doing everything to make this a success for the younger group.

MOUNT PISGAH

Our community was well represented at the International Plowing Match at Burford last week.

Mr. and Mrs. Aubrey Barker and Wayne, Toronto, were Sunday guests of Mr. and Mrs. Harry Smith.

Mr. and Mrs. Erwin Letts and Anne, Beeton, visited the Ellas family on Sunday.

Miss Alma Carlisle and Miss Shirley Lotton, Toronto, were weekend guests of Mr. and Mrs. George Boynton and family.

Mr. and Mrs. Hugh McIntyre were able to bring their baby daughter home from the hospital on Monday of last week.

Congratulations to Rev. and Mrs. P. R. Barley on the arrival of a son October 11.

Mr. and Mrs. H. Bayeroff, Dorothy and Bobby and Mr. and Mrs. R. Ellas and Linda motored to Parry Sound on Wednesday and visited the Terrys for the day.

Mrs. Ethel Harmon, Mount Albert, spent a couple of days with Mr. and Mrs. Dewey Graham.

Mr. and Mrs. Ed Scott and John, Dundalk, were weekend guests of Mr. and Mrs. Wallace Scott.

Mr. and Mrs. Frank Allen, Toronto, spent the weekend with Mr. and Mrs. Harold Botham and Ronald.

Mrs. A. Pattenden and Muriel, Vandorf, and Mr. and Mrs. Clarence Foote and family of Cedar Valley were Sunday guests of Mr. and Mrs. Roy Smith and Shirley.

Mr. and Mrs. Alex. Sharpe and baby of Guelph visited the Gambles for a couple of days last week.

In the ark with Noah there were four women his wife, and the wives of his three sons.

Seattle, Washington, is farther north than Nova Scotia.

KETTLEBY

Mr. and Mrs. Anson McCluskie, accompanied by Mrs. Darker, Toronto, spent last week at Lions Head.

Mr. M. Wassink attended the plowing match at Burford last week.

Misses Jean and Marion Archibald and Mr. Willson Crichton spent the weekend with their parents.

Mr. and Mrs. Charles Walton spent a few days at Turbine with Mr. and Mrs. Maurice Hayward.

Mr. and Mrs. Jack Lepard accompanied Mr. and Mrs. Walton as far as Manitoulin Island for the weekend.

Mr. and Mrs. Leo Blackburn attended the Cull-Cossette wedding in Toronto on Saturday and spent Sunday with Mr. and Mrs. Ed. Blackburn, New Toronto.

Mr. and Mrs. Harry Dale, Tottenham, spent Sunday with Mr. and Mrs. Ed. Black.

Mrs. Marchant was soloist, accompanied by her daughter, Lois, at the Institute in Schomberg last Thursday.

Mr. and Mrs. Robert Johnson and Mr. and Mrs. C. G. Ward, Stouffville, were Sunday guests at the home of Mr. and Mrs. John Little.

Mrs. Harold Broadway and children of Listowel spent a few days with Mr. and Mrs. John Little.

MIAMI BEACH

With Mr. Jack Frost hanging around makes everyone begin to think of getting in their winter supplies.

The people of this community extend heartiest birthday greetings to Mr. Norman Dixon who celebrated his birthday on October 18.

Gordon King celebrated his ninth birthday on October 14 and received many lovely gifts.

Owing to the lovely weekend and the duck hunting season being open many people were up to their cottages.

Master Wayne Miller, Mount Pleasant, is visiting his grandparents, Mr. and Mrs. Emanuel Miller, for awhile.

Mr. Oliver King and Mr. Frank Cooper have started to build another cottage for Mr. James Clarke here on Miami Beach.

Mr. and Mrs. Walter Sullivan is spending a week in Toronto.

HOGS will pay you BIGGER PROFITS

When you feed them the SHUR-GAIN WAY

Farmers are increasing their hog profits the SHUR-GAIN Way. The reason is due to the scientific formulation and preparation of SHUR-GAIN Hog Grower and SHUR-GAIN Hog Formula. These two feeds work as a team—Hog Grower with its high TDNx content gives the young pig a head start to fast growth. SHUR-GAIN Hog Finisher takes over when the hogs are at about 120 pounds and is made specially to get the best grade from your hogs with less danger of over-finish.

MAGISTRATE'S COURT
**Caused 'Terror Reign'
2 Months for Assault**
"Your brutality has been caus-
ing a reign of terror among your
tenants," was the comment of
Magistrate O. S. Hollinrake in
Newmarket court Friday, as he
sentenced William Stunden, 32,
Oak Ridges, to two months im-
prisonment.
Stunden was convicted a week
ago in this court of assaulting
Fred Aldridge, Oak Ridges.
Aldridge testified that when he
arrived at the apartment he rented
from Stunden around 2.30 a.m.
September 27, Stunden was ly-
ing in wait for him. "As I ap-
proached my door Stunden sud-
denly pulled it open and struck
me," he said.
William J. Aldridge, R. R. 1,
Maple, father of the complain-
ant, stated that his son arrived at
his home in a badly battered
condition. "He looked as if he'd
been in a threshing machine," he
said.
Stunden claimed that Aldridge
was seven weeks arrears in rent
and that he'd waited up for Al-
drige as he thought he might try
to leave without paying the rent.
"I put a knife in the door so I
would know when Aldridge got
home," Stunden testified. "Ald-
ridge hit me in the stomach. I
chased him down the hall, caught
him and hit him a couple of
times."

PLEASANTVILLE
Mr. and Mrs. James Wallace,
Toronto, were Sunday tea guests
at the home of Mrs. E. Hawtin.
Mr. and Mrs. Chas. Green-
wood, Mr. and Mrs. Carl Green-
wood and Charles, also R.
Lundy motored to Orillia on
Sunday to be guests of Mr. and
Mrs. Wilfred Pipher, the occa-
sion being Mrs. Chas. Green-
wood's birthday anniversary.
Mr. and Mrs. M. McClure,
Brampton, and Mr. and Mrs.
Robt. Jewitt and Glenna, Kettle-
by, had Sunday dinner at the
home of Mrs. G. McClure.

A fieldstone memorial to members of the Royal Canadian Armored Corps who fell in World War II was unveiled recently by General Sir Richard McCreery, at the R.C.A.C. school in Camp Borden. Gen. McCreery, who was chief of staff to Viscount Alexander and commander of the British army on the Rhine, was guest of honor and guest speaker at the annual R.C.A.C. association dinner held in the camp. Here he is shown during the unveiling ceremony.

Queensville News
Mr. and Mrs. Elmer Stick-
wood have returned to their
home here after spending some
months at Gilmour.
Quite a large number from
our village attended the plough-
ing match at Burford near
Brantford.
Mrs. Chesley Doane and
daughter, Hazel, have moved
into the Aylward apartment re-
cently vacated by Mr. and Mrs.
Jack Kavanagh. The Kavanaghs
have now taken up residence in
the south part of Mr. Merritt
McKelvey's home.
Sympathy is extended to the
relatives of Mr. James Cunning-
ham.
Miss Elsie Huntley, Miss Joyce
Kyle and Mr. Murray Huntley
have returned from a holiday
in Quebec.
Mrs. Percy Boag entertained
the euchre club on Tuesday
night. Mrs. Wm. Burkholder
was winner of the first prize.
Mr. and Mrs. Floyd Winger
and family visited Mrs. Winger's
parents, Mr. and Mrs. Gooding,
at Gormley on Wednesday.
Miss Grace Coates flew with
her brother, Bill, to the plough-
ing match at Burford near
Brantford.
Congratulations to Rev. and
Mrs. Wm. Large on the birth of
a son recently.
Mr. and Mrs. Norman Gibney
visited their son, Bill, and his
wife in Toronto for several days
last week.
Mrs. Wm. Greig spent a few
days last week at the home of
her son, Gordon, in Lansing.

**Appeal for Aid Abroad
Generously Answered**
Mrs. Bertha Phillips was host-
ess to St. James' W.A., Sharon,
on Wednesday, Oct. 12. Eleven
members were present. Mrs. B.
Aylward and Mrs. Ellerby Farr
were visitors. In the absence of
the president, Mrs. Rogers, the
vice-president, Mrs. F. Hall pre-
sided. Mrs. W. Osler gave the
Scripture reading. An invitation
was received from Newmarket
branch to attend Thursday to
hear Mrs. S. S. Grenville, dioc-
esan corresponding secretary.
The appeal for clothing, etc.,
for overseas was well answered
and thanks is extended to all
who contributed. Members were
urged to attend the annual
thank-offering meeting at Grace-
Church-on-the Hill, Toronto,
Nov. 3.
Committees were drawn up for
the bazaar Nov. 16 in the
township hall. The November
meeting will be at Mrs. W.
Osler's home Nov. 9. Mrs. Phil-
lips, Mrs. Blunt and Mrs. L. Farr
acting as the refreshment com-
mittee. The thank-offering boxes
yielded \$16.84 with many others
to be handed in.
As church service is now at
11 a.m., arrangements were made
for entertaining Mr. Peeling,
who comes to visit the parish on
Saturdays.

HOPE
Hope W.A. will hold its bazaar
and supper in the township hall
at Sharon, Nov. 2.
Miss Hilda Andrews spent the
week with Miss Margaret Rose,
Mount Albert.
Mr. Stewart Pegg is ill in
York County hospital. We wish
him a speedy recovery.
Mrs. Frank Widdifield, Mrs.
Ruth Hopkins, Mr. and Mrs.
Irvin Marles and Barbara, had
supper on Sunday with Mr. and
Mrs. Howard Pegg.
Mrs. Stewart Stickwood and
Mrs. Lang had dinner on Thurs-
day with Mrs. Auley Brenair.
Mr. Herb. Tansley is slightly
improved. We wish him a
speedy recovery.
Mrs. Morley Andrews spent
Saturday with Mrs. Leslie
Graves, Newmarket.
Mrs. Robert Graves and Mrs.
Howard Pegg spent Thursday
visiting Mrs. W. Carson, King.
Mr. and Mrs. Archie Dike
spent Sunday with Mr. and Mrs.
Oliver, Wesley.
Mr. and Mrs. George Barker
were guests of Mr. and Mrs. W.
Hall, Queensville, on Sunday.
Mr. and Mrs. Everton Pegg
were guests of Mr. and Mrs.
George Pegg on Sunday.

**Approve Mt. Albert
Fire Department**
A meeting was held in the
Mount Albert Community Hall
on Friday, Oct. 7, to discuss the
possibility of forming a local
fire department, which would
improve considerably our local
fire protection, and which would
also benefit communities and
rural areas surrounding Mount
Albert.
The meeting was arranged by
the village trustees. Members
of the township council, and of
the Chamber of Commerce were
invited. Edgar F. Bevis, chief
fire services division, was the
guest speaker. Ken Ross, town-
ship reeve, was acting chairman.
Mr. Bevis gave a most inter-
esting talk on the new fire de-
partment act 1949, with special
references to subsidies now ob-
tainable under this act.
It was suggested that the
township be divided into fire
areas, with a central fire de-
partment for each area. Mr.
Bevis agreed that Mount Albert
would be suitably situated for
such a set-up. He advocated
that the village trustees meet
with the township council and
discuss with them, the idea of
forming a fire department in
Mount Albert to protect this
area.
At a meeting of the township
council on Thursday, Oct. 13, the
above plan was approved by the
council.
Classified ads bring results.

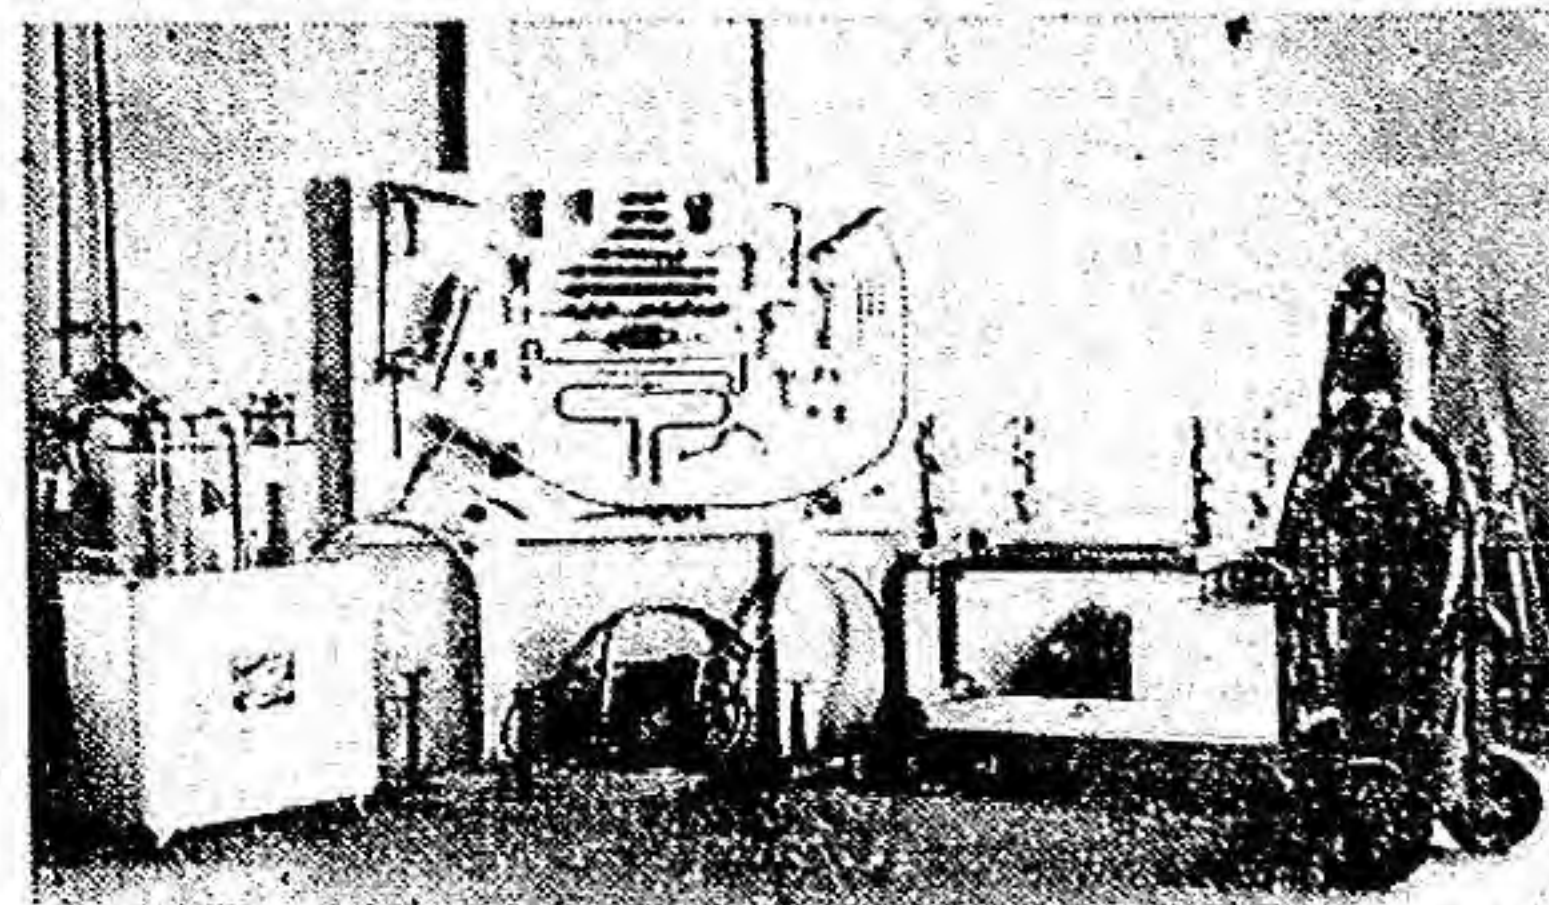

MOUNT ALBERT
Mr. and Mrs. Roy Lunau,
Owen Sound, and Mr. and Mrs.
Gerald Meeks, Belleville, were
recent guests at the home of their
mother, Mrs. Ernie Lunau.
Mrs. Ethel Harman spent the
weekend at Zephyr, the guest of
Mrs. Dewey Graham.
Remember the tennis dance in
the town hall on Friday, Oct. 21,
when you will dance to Don
Gilkes' orchestra. There will be
a cafeteria lunch.
Mr. Will Mitchell on Sat-
urday narrowly escaped with
his life when he jumped from
his truck when struck by a
C.N.R. freight train at the
crossing on Franklin side
road. The truck was badly
smashed up.
The girls of the C.G.I.T. had
apple day on Saturday and were
successful in their sales as the
proceeds amounted to \$45, for
which the girls and their leaders
are grateful.

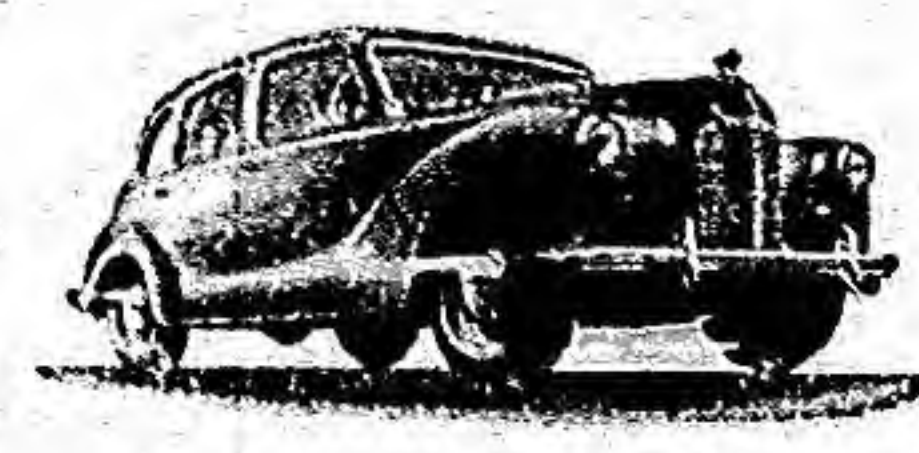

BELHAVEN
Mr. and Mrs. Norman King
and Floyd spent the weekend at
Niagara Falls and surrounding
places of interest.

Pages from the Editor's Notebook

The International Plowing matches were as exciting as last year and appeared to us to have attracted even greater attention. We went to Burford on Friday, leaving at a "farmer's hour" to arrive there at a reasonable time in the morning. The weather was perfect after the disappointing rains which had washed out one day of competition.

The machinery exhibits, erroneously called "the midway" in some papers, were more extensive than in previous years, and greater care seemed to have been taken in their presentation. Some of the displays, notably those of cars, appeared to be the same as those set up for the Canadian National Exhibition. As at every large gathering nowadays, the approaches to grounds were lined with salesmen who were selling tickets on new cars in the support of various charitable causes.

An enterprising charter air service was doing an extensive business with sight-seeing trips by air at \$3 a ride. There were, of course, no carnival attractions. The sponsoring organization, The Ontario Plowmen's Association, maintained its policy of making its show strictly agriculture. It is a policy we hope will never be changed. The machinery displays were augmented by one or two historical displays and some livestock, Jerseys, Holsteins, Guernseys and different breeds of sheep and hogs.

We saw for the first time the entire lay-out of the plowing matches, thanks to an enterprising implement firm which reaped immense goodwill by providing tractor-drawn farm wagons for regular tours of the competitions. The spectator's pleasure in the plowing matches is somewhat lessened by the distances he must travel to see the various classes in competition. Thanks to

the implement firm, one was able to make a round trip on wheels every ten or 20 minutes.

An addition to the matches was the demonstration in contour plowing although it was at a disadvantage because of the distance it was from the machinery displays. There were other demonstrations too, so numerous it is difficult to recall them. We do remember the government fire prevention demonstration because the speaker, while he may have been an expert on fire prevention, hardly qualified as a public speaker and the effectiveness of his remarks was lost. That is a common fault. A poor speaker is not convincing and we fear the spectators were not impressed.

It may have been the weather or some other cause, but we carried away with us the feeling that there was less high spirits, less spontaneity than last year. We thought it must be the increased difficulties farmers are finding in the marketing of major crops. We were told by one young man while eating lunch that he had been laid off only the day before by a large implement manufacturer because of a drop in sales. Perhaps it was a seasonal condition.

Most of the talk we overheard, when it wasn't concerned with the matches, dealt with the effects of the mid-summer drought. There was a good deal of exchange of experiences with various crops. That opportunity for shop-talk still remains an outstanding advantage of the plowing matches. We all learn more when we have an opportunity to talk to others similarly engaged. There is a certain amount of validity in the recounting of their experiences which is lacking when one reads about it in bulletins although the latter is generally more reliable.

From the Files of 25 and 50 Years Ago

OCTOBER 17, 1924

The Prince of Wales visited Sir William Mulock's farm near Newmarket last Wednesday morning where over 3,000 people, including several hundred school children of Newmarket gathered. Seventy members of the Toronto Hunt club in their scarlet uniforms and silk hats also assembled on the lawn. After the Prince had met a few of the guests he joined in a fox hunt. The first fox was run down on the farm of George Thompson, 2nd concession of King.

Miss Marjorie Taylor and Miss Lillian Hart were the guests of Mrs. H. Denne at Ravenshoe and sang a duet at the re-opening of the church on Sunday evening. Mr. Peter Brown won three prizes on his potatoes at Newmarket fair and this week he brought three specimens of Dooley potatoes into the office which weighed 5 1/2 lbs.

Mr. W. C. Niles, Los Angeles, spent a few days visiting his cousin, Mr. H. S. Cane, and other relatives before returning home. Schomberg fair was a great success and the weather was excellent. There were nearly 400 in the school children's parade led by the Beeton band. The receipts were \$950. The fair was one of the best ever held and there were 2,000 entries, 400 more than last year.

Mr. Seth Lloyd, Toronto, is spending two or three weeks with Mr. Myron Doan, Glenville. Although he is over 90 years of age he has been milking cows and picking potatoes.

The ladies of St. John's church held a euchre party on Tuesday evening in the McCauley block, Main St. The prizewinners were: Miss E. Augers, Miss F. Cain, Mr. R. Fountain and Mr. W. Bosworth. A special prize for the highest individual score in any one game, a dressed chicken, was won by Miss Gladys Flanagan.

Mr. Thompson, Pine Orchard, picked a dish of raspberries from the bushes in his garden the other day.

Mrs. Corbett has returned home after spending two weeks with relatives in Waubesa. Mr. Webb, her nephew, came with her to spend a week in town.

OCTOBER 20, 1899

Big crowd in town last Saturday and produce at market sold readily. Prices were inclined to go up. Eggs sold as high as 17 cents and butter 19 cents. Dressed chickens were from 50 to 60 cents a pair, dressed geese 5-6 1/2 cents a lb., and turkeys 10 and 11 cents a lb. Potatoes sold at 40 and 45 cents, apples \$1 and \$2 a barrel. Yellow pumpkins were selling from 7 to 10 cents each and squash 4 and 5 cents. About 50 head of young cattle was sold by auction at prices ranging from \$15 to \$20 each.

Dr. Greenwood, Sutton, has been appointed associate coroner for the county of York.

Rev. M. D. Colman, who has been in Sarnia all summer, was visiting his mother a couple of days this week before returning to his studies at McMaster Hall, Toronto.

Mr. and Mrs. E. Brillinger, Toronto, were Sunday guests of Mr. W. G. Proctor, Kettleby. Mr. Brillinger, who was formerly a miller, employed by the late Jos. Stokes, has been away about 20 years.

Mrs. C. E. Cane is in east Toronto on W.C.T.U. work this week.

Mr. R. H. Brinson is making quite a change in his residence. He is enlarging the west and north windows, building a verandah with a balcony and adding a gothic to the roof.

Mr. Rannie has gone to St. Thomas to take charge of a Modelite class until Christmas.

Mrs. Jefferson, San Francisco, who has been visiting her sister, Mrs. Audrey Gilroy, Sharon, the past three months, left for her home on Monday.

A large dry kiln at Cane's factory is about completed as far as the mason and carpenter work is concerned. A carload of new machinery, engine, fan and heaters arrived on Tuesday and will be put into operation as soon as possible.

Charles Willis, Aurora, was gathering beechnuts recently and fell out of the tree and broke his collarbone.

Rev. David Terry, Barnston, Que., has been spending a week with his parents, Mr. and Mrs. S. Terry, Mount Albert.

The Editorials:

Provincial Authority

The start on the new public school has evoked a wild flood of rumor about its fittings. The specifications for the school have been published; if there was complaint, it might better have been brought forward at the time. Unfortunately, once set in motion, rumor is not easily stopped. We would suggest that those who are troubled might best apply to the provincial department of education to whose specifications the school was designed for the answers to their questions. We have heard of several rumors and are satisfied they are groundless. A major objection, that the tender went to an out-of-town contractor, is quite simply answered. The school board is obliged by the province to accept the lowest tender, subject to the approval of the architects.

It is not generally realized to what extent the decisions of municipal administrations, as in this instance, the school board are controlled by the province. We are all familiar with the municipal board from numerous references made to it in council reports. The calling for debentures by a municipality depends upon the approval of the board, a sensible precaution in the long run although irritating to the municipality whose finances are in a sound condition and are likely to be kept that way.

The province exercises its authority in other ways, through the department of education, through the department of highways, and so on. It does so because of the heavy financial grants it administers. If the province does not approve of a municipality's decisions on a particular phase of municipal administration, it is in a position to express that disapproval by withholding grants.

The theory behind this development is reasonable to a degree. It is simply to exercise a larger authority, in this case, the province, in the establishment of certain standards of municipal administration. The grant to the arena, for example, will be given only as the town meets certain conditions which are believed by the province to assure the best management for the arena.

In practice, however, the municipalities have lost much of their independence and have become subordinated to the authority of a central administration. This is an unfortunate development and contrary to the principles of decentralization of authority practiced in the establishment of local government. It is accepted that the closer the people are to their government, the more aware they will be of the responsibilities of self-government. When decisions of a municipal administration become so completely subject to the province, the advantages of local self-government are lost.

Aid To Britain

The United Emergency Fund for Britain committee reports a balance of only \$13.16. The committee has spent \$1,348, all of it contributions, in the preparation and shipment of 337 parcels of food to Britain in the past year. This effort has been recognized as the most energetic in Ontario for the size of the town. The committee is now appealing for fresh funds with which to continue its work. There is, besides the normal urgency of this work, the added urgency of the proximity of Christmas when parcels of hard-to-get foods will mean so much.

The answer to the committee's appeal will be anxiously awaited not only by the Newmarket group but by the committees in many other municipalities. Newmarket, by the virtue of its effort, has become the leader in this project. Should the appeal be unanswered elsewhere, there will be little encouragement elsewhere. Should the response be generous, it will be the means of encouraging generous responses to other committee's efforts.

England is not now short of food in the usual sense of the word. Its people are, however, without those "extras" which make their austerity diet palatable. The recipients of the food parcels sent from Newmarket are those who are prevented by age and circumstances from competing in queues for meagre supplies of what are commonplace additions to our diets here but are luxury items in England. The gratitude in the letters received in Newmarket are adequate evidence of the need to continue this sharing.

We are proud of the ties of friendship and tradition between members of the commonwealth which are at once admired and envied by other nations. The food parcels are not a heavy expense to the individual; the total indicates the depth of fellow-feeling that exists between Canada and England.

The state is the servant, not the master, of the people; the state is their guarantee against infringement on their rights, their agent in international and national issues; it is not the function of the state to assume the direction of those activities which rest on individual choice.

Federal By-Election

A casual reading of the Toronto press suggests that the coverage of by-election candidates is a good deal more equitable than was the general election coverage. The Toronto press was strongly criticized after the campaign for "slanted headlines" and biased reporting in support of their parties. It is still possible to know which party each paper supports by comparing the extent of and prominence given reports of the opposing candidates in the news columns but the differences are not nearly as great.

It may be that the criticism directed at the dailies has had its effect, although the by-elections hardly represent an honest trial. The government is so firmly established that there is little possibility that its position can ever be seriously threatened for the next five years. Even among the most partisan of party newspapers there is the conviction that a stronger opposition would be best for the country, and their support of government candidates is accordingly lukewarm.

Personally, we should like to see Mr. Macdonnell win in Greenwood. One of the most effective critics in the Conservative party, he would serve a very useful purpose on the opposition benches. His ability is widely recognized; after his defeat in the general election, the proposal he be appointed to the senate had general acceptance. We are not familiar with the other candidates, but it is to be hoped that merit, rather than party, will determine their success.

New H.S. Wing

The Newmarket and Sutton high school board has resumed the preparations for a new wing to the high school. The Newmarket board had previously brought matters to a point where only provincial approval was required before the question could be put to the voters. Approval was withheld then because of the impending formation of a high school area for the district with its possibility that the school would have to be even further expanded. The area has been formed and the new board has begun to cut its way through the red tape.

The board is encouraged in this latest start by estimates of the cost to individual municipalities which are, as the board chairman termed them, "ridiculously low". Newmarket's cost is estimated at not more than \$500 a year for 20 years, and the other municipalities accordingly. The province pays the rest, some three-quarters of the cost. This is a substantial reduction over earlier estimates, confounding those critics who saw the cost of the new wing increased as a result of the formation of the area.

A difficulty, as the result of the area, is that every municipality contributing towards the high school must approve the new wing. This will take time. We cannot, however, anticipate any serious objection from contributing municipalities since the need is so obvious and the new addition will answer a long stated complaint from the rural municipalities, that the high school does not devote sufficient time to agriculture instruction. The new wing will provide quarters for practical instruction as well as the academic and commercial teaching now provided.

It is to be hoped that the school board will be given every encouragement in proceeding with preparations for the new wing so that it may be constructed as speedily as possible.

Shacks On Highways

The housing shortage has forced urban dwellers into the country where many of them have built their own homes along the highways leading to the city. Unfortunately, many of these homes are little more than shacks. Their construction on heavily travelled highways places them in view of thousands of travellers; their appearance does not leave an encouraging impression.

We are aware, of course, of the many self-built homes which are a treat to see. They, too, suffer by comparison with their less pleasing neighbors. Reasons of economy have no doubt forced the kind of construction which, although ugly in its initial appearance, can be made most presentable in time. There is no excuse, however, for many of the shacks in which their owners have invested little or nothing to make them pleasing.

Our complaint is not limited to homes. There are many places of business along the highways which are ugly, junk yards, wrecking yards and so on. Their locations were a matter of no concern ten years ago but now they present for the visitor travelling the highways an unpleasant introduction to the city.

Before it is too late to do anything about it, the provincial highways department should be given the authority to control building along the highway so that the visitor has a pleasant introduction to the larger centres.

Office Cat reports Catnips By Ginger

As office cat in charge of staff is the only thing that grows decorum, I have been going over a few of our "other" columnists' work. I see that our woman's editor at last realizes that someone else besides women pays attention to what's going on in cooking.

She has been good enough also to quote the silver words of Ginger without the author's permission. I should think, O upright woman's editor, that one would discuss fees before my works are stolen, not afterwards. But since they appeared in our same publication, we shall let it pass this time. In future all rights are reserved by order of Ginger. (Copyright No. 26498).

As for Black Concession below here, the old boy has a few good clues when it comes down to the top six inches. There's no reason as far as I can see why he can't have his township units of the federation of agriculture. Maybe we were a bit hasty in our suggestion that he would be banished to the back page. It was a mere flare of Gingerian temper, a dispute of territorial rights, not a condemnation. We really meant no malicious harm, old sod. May the spring rains erode us away if we do. Sure 'n' let them.

But just keep out of our territory on this editorial page, and mind your superiors namely me because no mean hunk of influence is wielded by this here columnist. I am about to get voting powers.

Speaking of the top six inches, we assume the title was dedicated to the idea that there is only an average of six inches of top soil covering Ontario and top soil

is the only thing that grows food. An authority on conservation told me that it's really down to something less than four top inches. You'd better revise your title heading, Back C.

Maybe I'm a snob cat. Isabella says I'm an intellectual one. The adjective at least is flattering. But the Sunday night radio programs cause much of this snobbery to come out of me, I'll admit. I refuse to laugh anymore at the simple comedians who tell jokes in between commercials in front of trained studio audiences. I think the same people have been going to the same shows for the last five years and have been "conditioned" to laugh.

It is something like the Pavlovian dog, food and bell experiment. In the Pavlov experiment the scientist rings a large bell just before he gives the dog his dinner. He repeats this several days. Then one day he just rings the gong but does not give pooch any food. The dog is so used to the association of bell and food that his mouth waters as soon as the gong goes. He has been conditioned to it. That's what comedy radio audiences sound like to me. They note a certain inflection in the jokester's voice and past conditioning forces them to laugh through habit. Pavlov would have fun with them.

I begrudge paying two or five dollars a year for permission to use our little, rasping, growling radio which is no larger than a loaf of bread, but I must admit that if it were not for our Canadian broadcasting programs, I would give it to the junk dealer at once. Commercial radio is ruining our society.

by "Back Concession" The Top Six Inches

Are we asking the British people to do the impossible? They are producing more goods than ever before. Most of her exports go to pay off what they owe other countries. This leaves no money to buy raw material. Lend-lease did help out and we all had the benefit by increased exports. Many conferences have been held on the dollar problem. We hear echoes of reciprocity from the U.S.A. and a new monetary system being talked about.

With a new monetary system England, U. S. A. and Canada could use the same currency. Would this help out any, or is it our interest system that is at fault? A man pays five percent on a dollar for 20 years. He has paid the dollar back but still owes the dollar. We do not like the word repudiation but how can we expect a country to pay off large sums of money, plus interest, buy new material, and keep going? Will reciprocity—the free exchange of goods—help out any? When reciprocity was a political issue, we saw individual groups of people, firms, companies, whole sections of our country change their way of political thinking. And in the next election change back again. We wonder if we, the Canadian people, work for the most good for the most people.

Some of our daily papers come out with the suggestions that what they term splinter parties should not be recognized, that we should return to the two-party system. One thing that we as a people must recognize and admit is if the two-party system had given the people what they wanted, there never would have been a third party. As some would have us believe, it would be disastrous for any but the two parties to form a government. The trouble that we do get into will have to be laid on the old parties.

Our education in our schools, life around which we can have the production on farm and in factory, our whole way of life

and our way of thinking has made progress and it suggests that our way of political thinking not to be brought up to date.

A few years ago there was a slogan, "grow two blades instead of one." By applying scientific knowledge to our soil and stock we are able to produce more and better. Our best export market is England but our government leaders come out with the statement that the British people will have to work out their own problem. We are told that the world population is increasing faster than we can produce food. And as it looks today, we farmers in Canada may have to reduce our production.

History tells us that each generation has had a period of confused thinking. We surely are passing through our period of confused thinking. We cannot consume all our farm produce in Canada. The countries that need our food have no money to buy. Our leaders in all countries seem to have nothing to offer.

When man has no other way out he turns to The Book of books, the Bible. And in that book we find an economic law, a health law, and a land law. Those nations of the Bible that kept and practised those laws were happy, content and secure. It is said that those laws could not be used now.

The only way out now is to lend more money to other countries to buy our produce. This adds more debt and interest charges. We can't lend or borrow our way out of our difficulty. We may, as a people, be forced to study very closely the laws of the Bible. When we begin to study and understand those laws, there will not be room in our churches for the people. The church will become the centre of our community life around which we can have security and be a happy, contented people. Cheerio.

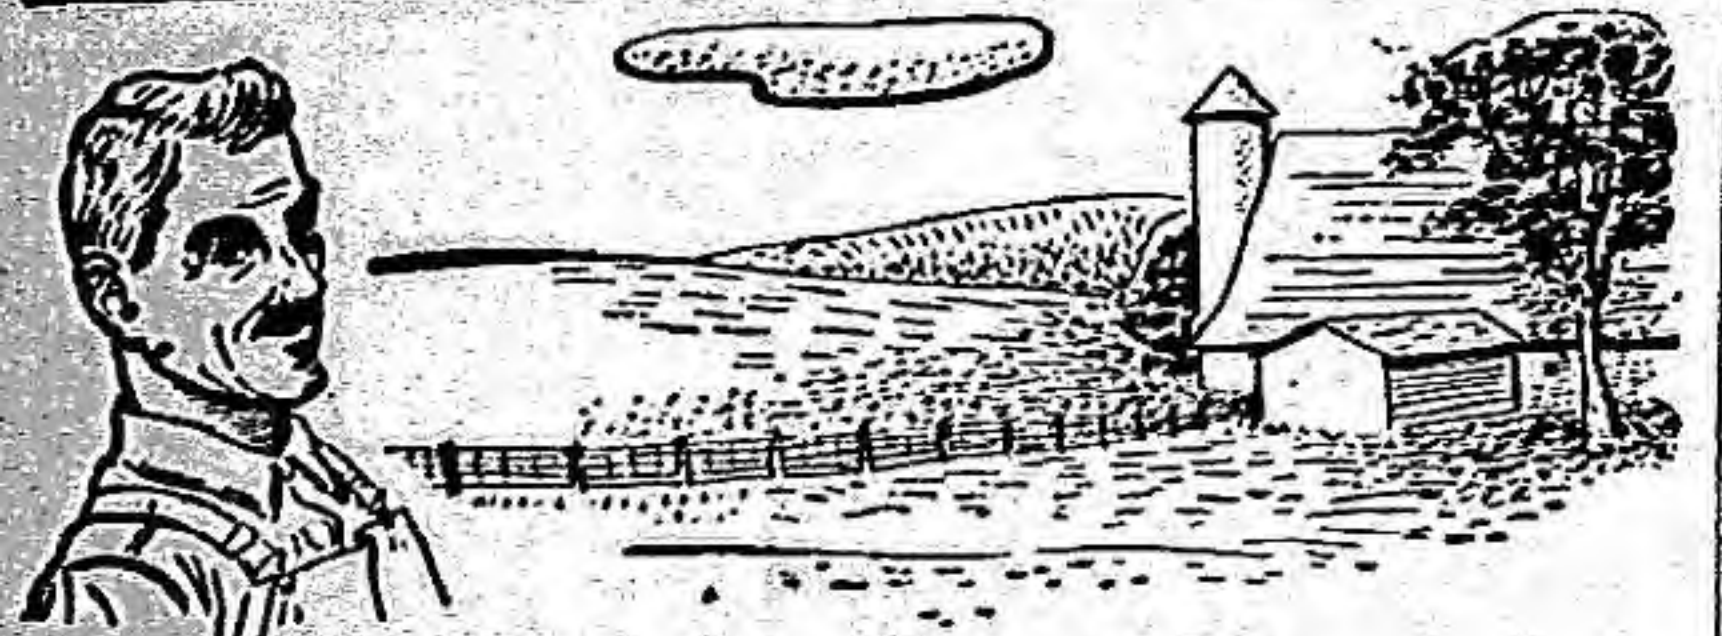

THE YANKEE CLIPPER

SHARON
Mr. and Mrs. John Pinder, Queensville, Mr. and Mrs. Lorne Fines and children, Bradford, were Sunday guests of Mr. and Mrs. Cecil Pinder.
Mr. and Mrs. John Moss, Jr., Dixie, visited at the home of Mr. and Mrs. David Coates on Sunday.
Mrs. Emma McTague of the village celebrated her 81st birthday on Saturday.

There was a miscellaneous shower on Monday night at the hall for Miss Erma Hall, a bride of this week. The bride-to-be received many lovely and useful gifts.
Miss Grace Oliver has returned to Toronto after recuperating from an operation at the home of her sister, Mrs. Allan Case.
Mr. and Mrs. Clarke and Mr. and Mrs. Richard Shaw, Markham, were Sunday guests of Mr. and Mrs. Alan Shaw.

Farm Philosopher says:

"ROLLING PASTURE CAN SEEM VERY FLAT"

The way pasture looks to you and the way it tastes to an animal are very different things. Pasture is an important crop and repays care in late fall months. Good results may be obtained from the application of farm manure or the use of suitable commercial fertilizers. The right mixture and amount is important. The Department of Agriculture, Ottawa, will tell you—without charge.

You will find the experienced, friendly manager of our nearest branch willing to consider loans for fertilizer or other purposes that will increase your farm earnings.

Footnote-Notes

BY WILLIAM FOOTE
AURORA EDITOR

Early last Sunday morning an Aurora police officer was brutally attacked by two men as he was escorting an arrested man to the town police office. Although the officer had subdued one man, he was kicked in the face by the second. All three men escaped, but the man originally arrested was recaptured a few minutes later. Although many spectators were reported to be standing nearby, no one came to the assistance of the officer, Constable William Langman.

This is disgraceful. It aptly illustrates the general attitude among a minority element of Aurora's population which shows no respect for law and order, for others or their rights and property. Anti-social to a marked degree, they resort to primitive, childish savagery to gain their ends.

This sort of conduct must be halted once and for all. Constable Langman is a highly competent police officer. But no one man should be expected to handle such situations alone. A two-man police force has been sufficient for Aurora's needs for some time. This is no longer the case. For the population of the town now includes those who regard their own whims and fancies as law; a law to be supported with fists, feet or any other handy weapon. They intend to have their own way regardless, and even dare to attack our police officers.

These people know only force. They must be crushed by force. Only in this way will they learn to respect the laws of society. To do this requires an increased police force. The town is growing and its services must likewise grow and keep pace if they are to be satisfactory.

At least one police officer is necessary for every 1,000 people

in a town. Aurora, with a population of over 3,500 has only two constables. It needs at least one more.

At the present time only one officer is on duty at a time. One takes the hours from 6 a.m. to 6 p.m., the other from 6 p.m. to 6 a.m. Each officer receives one day free from duty each week. At this time the other officer must work 36 hours without being off duty.

The crucial policing periods in Aurora are the nights of Wednesday, Friday, Saturday and Sunday and holidays. At these times at least two men should be on duty at the same time. If the town were to hire a third constable on a full-time basis he could serve as relief man for the other officers on their off-duty days, and could patrol with the other officer on duty on those crucial nights mentioned above. This would give him a full six-day working week, allowing him one day off weekly.

This would provide the force necessary to handle these smart-alec punks, some of whom have, according to Constable Langman, threatened to knife him if they get a chance. This would also show the police that the town is wholeheartedly behind their efforts to keep Aurora a decent place in which to live.

Bell Asks New Rate Up 45c, 65c Here 70c For Rural Line

Increases of 45 cents per month for two-party residence telephone service in Newmarket and Aurora and of 65 cents for residence individual lines, are proposed in Bell Telephone's application for revised rates filed in Ottawa with The Board of Transport Commissioners for Canada, according to S. R. Van Dusen, the company's manager in Newmarket.

The proposed increase for individual line business service is \$1.90 monthly, while the proposed rate for two-party business service is \$1.65 higher than at present.

It is intended that the proposed rates shall apply to all standard types of telephones supplied by the company.

A comparison of present and telephone rates for typical class-

es of service with proposed rates in Newmarket and Aurora follows:

	Present	Proposed	Increase
RESIDENCE			
Individual line	2.40	3.05	.65
Two-party line	2.20	2.65	.45
Rural line	1.75	2.45	.70
Extension telephone	.90	1.00	.10
BUSINESS			
Individual line	3.10	5.00	1.90
Two-party line	2.60	4.25	1.65
Rural line	2.00	3.25	1.25
Extension telephone	1.15	1.25	.10
P.B.X. trunk	3.45	7.50	4.05
P.B.X. extension telephone	1.35	1.25	-.10

93 pc, 30 pc Increase Nkt., Aurora Phones

During the past four years there has been an 83 percent increase in the number of telephones in service in Newmarket and local calls have increased by 57 percent, S. R. Van Dusen, Bell Telephone manager here, said this week in reviewing the record-breaking post-war demand for service which has required the addition of much especially-made and costly equipment. Long distance calls originating here have risen by 50 percent in the same period, he said.

There are now 1,890 telephones in use in Newmarket compared with 1,030 four years ago. Local calls average 6,890 per day against 4,385, and telephone users here originate about 680 long distance calls daily or 230 more than in 1945.

In order to meet this unprecedented demand for service the company has continuously improved and enlarged its facilities. A new operating position was added to the local switchboard in October, 1946, and similar enlargements were completed in January and October, 1948, and in June of this year.

In spite of this improvement program which has resulted in the addition of 850 telephones in four years, there are still 40 applicants waiting for service here, the manager said. A further switchboard extension is contemplated, and construction of outside wire and cable is expected to continue at a high level in order to keep pace with demand.

ZEPHYR

Mrs. James Galbraith spent a couple of days in Weston. Don't forget the chicken pie supper at the United Church Friday, Oct. 28, D.S.T. Concert by the Johnson entertainers and Miss Iva Fallowdown, humorous clowning, in a variety program.

The Zephyr post office will be open daily except Wednesday from 8 a.m. to 5 p.m., Wednesday from 8 a.m. to 1:30 p.m. Mail will leave the office on Monday, Wednesday and Friday at 11:30 a.m., Tuesday, Thursday and Saturday at 8:30 a.m. Mail will arrive at the office Monday, Wednesday and Friday at 12:45 p.m., Tuesday, Thursday and Saturday at 10 a.m. All times are daylight saving.

WILLOW BEACH

Mrs. Wm. Thompson, Sr., spent a few days in Toronto last week.

Mr. and Mrs. Jack Mahoney enjoyed a holiday motoring in the U.S.

On Monday Mr. and Mrs. Clyde Draper, Mr. and Mrs. M. S. Sedore attended the Ladies' Night of Sutton Malone Lodge at a chicken dinner at Brinsar Golf and Country Club.

Miss Mary Jean Sinclair was home for the weekend.

Mr. and Mrs. John McNeill, Sr., took a motor trip through the northern country visiting Mr. and Mrs. Carman Marritt, Gelert.

OTTAWA LETTER

by
"Jack" Smith, M.P.
North York

The budget is being delivered in the House tonight (Thursday) at 8 o'clock by Finance Minister Abbott. Budget night usually is one of the highlight events of a session, but this time is different to other budgets in that tonight will be largely a re-presentation of the budget read here last March.

A lot has happened in the political world since last March and the then sensational Abbott budget has been almost forgotten.

The budget, changing as it so often does taxation and customs levies, comes into effect on announcement. Thus the welcome tax reductions and tax changes announced by Mr. Abbott have been in effect since then, although they still have to be adopted by parliament.

Only minor changes in the March budget are expected here tonight.

New C.N.R. President
Big, burly Donald Gordon has been named as president of Canadian National Railways. Gordon became a national figure through his administration of price control in war years. He was known as a "tough administrator" in a "tough job". Now he has undertaken another tough job and the government feels fortunate in having a man of his special capabilities undertake the presidency at this time. True, Gordon isn't a railroad, but he's a driver and an organizer, and much of C.N.R.'s present problems are in the financial field where big Donald is an unquestioned expert.

Changes to British North America Act
Proposed constitutional changes to give Canadian parliament power to change our constitution as it concerns federal jurisdiction were introduced Monday by the government. The prime minister has announced he will call a provincial conference following the session, to agree on ways of making changes in matters which pertain to provincial rights. The issue is one which promises to provoke a lengthy debate, not so much on matters of principle as on matters of detail.

Campbell Clan
A recent important visitor to Ottawa was Major General A. D. Campbell, C.B.E., D.S.O., M.C., B.A., engineer-in-chief, war office, London. He was guest here last week at the annual dinner of the Military Engineers Association, and of special interest to North York was the fact that the presiding president of the Military Engineers Association was Brig. Colin Campbell, O.B.E., Pine Grove.

Trial Census
In preparation for the 1951 census of Canada's population, agriculture and housing, the Bureau of Statistics this month will conduct a trial census among 120,000 Canadians in seven areas across the country, the minister of trade and commerce, Mr. Howe, announced on October 1.

In the trial census, new, high speed, labor-saving machines will be employed for the first

time in the history of national census taken anywhere in the world. In this way, the Bureau of Statistics staff will become familiar with the machines and will iron out any kinks in their operation before the real census begins in 1951. In addition, the bureau will be able to try out new techniques it has developed during and since the war.

Canadian Workers
The total working population of Canada as at June 4, 1949, numbered 5,018,000. At March 31, 1949, there were 123,924 of these employed by the dominion government. Figures are not available here as to the number employed by provincial and municipal governments.

Fire Prevention
This being Fire Prevention week, it is thought provoking to note that in the nine years 1940 to 1948 inclusive, 17,569,375 acres were devastated by fire, with a total estimated loss in timber and young growth of \$29,582,420.

Motor Vehicles
Registrations of motor vehicles in Canada in 1948 reached an all-time record total of 2,031,000, showing an increase of 197,000 or 10.6 percent over the 1947 total of 1,834,000. Increases were common to all provinces and territories, the Bureau of Statistics has reported.

The year's gain was the third in succession, following increases of 13 percent in 1947 over 1946, and 7.8 percent in 1946 over 1945—the low point reached in the wartime period.

Kerosene replaced whale oil as a means of illumination.

IT'S A Woman's World

BY CAROLINE E. ION

"Success in housekeeping adds credit to the woman of intellect, and lustre to a woman's accomplishments. It is a knowledge which is as discreditable for any woman to be without as for a man not to know how to make a living, or how to defend himself when attacked. . . . So, no matter how talented a woman may be, or how useful in the church or society, if she is an indifferent housekeeper it is fatal to her influence, a foil to her brilliancy and a blemish in her garments." That is the opinion of the ladies of Toronto and other cities and towns in Canada who compiled "The Home Cook Book", in 1879. We had begun to tell you about it last week.

In the opening chapter they continue by saying, "Housekeeping . . . is one of those things to be imbibed without effort in girlhood, instead of being taken up at marriage and experimented on with varying certainty for the rest of one's natural life." (Do we hear a male chorus shouting, "Here, here?") "There is no earthly reason why girls, from eight to 18, should not learn and practice the whole round of housekeeping, from the first beating of eggs to laying carpets and presiding at a dinner-party, at the same time that they go on with music, languages and philosophy. The lessons would be all the better learned if, instead of sitting down at once out of school hours, the girl was taught to take a pride in keeping her room nice, or in helping about such work as canning fruit for the season, hanging curtains, or dusting every day." It is the smart mother these days who can sandwich in some assistance with the dish-washing from the busy teen-agers with their numerous extra-curricular activities, but it is still a good idea. Despite the similarity in the need for family participation in household tasks there appear to be many differences in the methods used in

Survey Well Supported Dr. Cock Tells B. & P. Club

The diabetes survey which started in Newmarket on Monday is receiving the full support of everyone, Dr. Gordon Cock, chairman of the survey committee, reported when he addressed a meeting of the local Business and Professional Women's club this week. Dr. Cock said the school boards and industry had been very co-operative. The difficult part of the survey will be to get out the other 3,000 people. That is the big undertaking which the women of the town are to handle.

As chairman of this Newmarket women's committee, Mrs. M. B. Seldon said that volunteers from the Catholic Women's League, Women's Institute, Red Cross, B. and P. club, Home and School Association, Legion Ladies' Auxiliary will carry out the canvass of the entire town.

Dr. Cock said that he could not over-emphasize the importance of the job of canvassing. The entire success of the survey depends on having every resident of Newmarket tested. "The survey must be regarded more from the standpoint of citizenship than from one of personal gain," he said.

On Monday the survey was begun at St. John's school and on

Garden Films, Pottery On Hort. Soc. Program

Ernest Nielsen, Roche's Point, co-founder with his brother, Harry, of what promises to become a new Canadian industry, will be guest speaker at a meeting of the Newmarket Horticultural Society on Wednesday, Oct. 26. The meeting will be held at Trinity United church Sunday-school room and will begin at 8 p.m. There will be no business session.

Mrs. Nielsen will talk on his new types of flower pots which he has introduced to this country. Not needing another container "for appearance's sake" as do the ordinary clay pots, the Nielsen pottery duplicates the soil conditions found outdoors for the potted plant. Mr. Nielsen will have a display of his wares, which show a variety of design and color treatment.

Another feature of the program will be colored moving pictures by George Luesby of local gardens. Other famous gardens at Niagara Falls and Hamilton are shown in these films. Refreshments will be served. There is no admission charge and the general public is invited to attend.

B. & P.W. Club Gives \$50 To Fund For Britain

The Business and Professional Women's club donated \$50 to the United Emergency Fund for Britain at the meeting on Monday night, Oct. 17. This brings the total donations from this young organization to the U.E.F.B. to \$100, for in April a similar donation was made.

Over 1,000 Wrappers Urge Greater Effort

Over 1,000 box tops and soap wrappers have been received at the public schools, reported Mrs. E. A. Mitchell, president of the Home and School Association which has organized the local "Save the Children Campaign." The box top collection is being made by the school children as their contribution to the drive. Mrs. Mitchell said that the teachers deserved much praise for taking this extra time to handle the collection at the schools.

Many more box tops and wrappers are wanted before the collection is brought to a close on Friday, Oct. 28. Those wanted are Camay wrappers and box tops from packages of Ivory Snow, Ivory Flakes, Oxydol and Chipso. For each two of the wrappers or one of the tops the Procter and Gamble Co. will pay one cent. In this way the children of Newmarket are assisting other children in Europe who are less fortunate than themselves.

LEAVES FOR DENVER

Miss Kathleen Peel, Newmarket, left on Saturday night for Denver, Col., where she has taken a position on the nursing staff of one of the Denver hospitals. Miss Peel was the charter president of the Newmarket Business and Professional Women's club.

England's sea power came into being with the defeat of the Spanish Armada.

IMMUNIZATION CLINIC

There were 25 infants and pre-school children at the clinic on Wednesday, Oct. 19, to be treated against diphtheria, whooping cough and tetanus. Dr. L. W. Dales was in charge, assisted by public health nurse Miss C. Kiltner, and Mrs. C. D. Barber. The immunization clinic for school children will be held on Wednesday, Oct. 26, at the schools, 1.30 p.m. at King George school and 2.30 p.m. at Alexander Muir school.

Mrs. Francis Starr To Speak on Ghandi

Mrs. Francis Starr will be the guest speaker at the meeting of the Newmarket Home and School Association on Tuesday evening, Oct. 25. Commencing at 8 p.m. promptly, the meeting will be held at the Alexander Muir school. The public is cordially invited to attend. Mrs. Starr will have as the topic of her talk, "Glimpses of Ghandi".

The Misses Jean Squires and Barbara Pritchard will be heard in a vocal duet.

The Alexander Muir school has been recently redecorated. New chair-desks have replaced the old type of desk and seat in the senior class rooms. This new seating accommodation is comfortable even for adults and allows a far greater number of chairs to be arranged for the meetings as they are movable.

EUCHE WINNERS

Prize winners at euche sponsored by the Ladies' Auxiliary, held in the Aurora Armories on Monday, Oct. 17, were: ladies', Mr. L. Foster, Mrs. Mathews, Lansing, Mrs. W. Hatfield; men's, Mrs. B. Patrick, Mrs. J. Orr, Lansing, Mrs. Ball; door prize was won by Mr. Ginger Pugh. Draw for box of chocolates was won by Miss B. A. Waite.

Tabernacle Members Attend Markham Church

A large coach load of members and friends of the Gospel Tabernacle, Newmarket, travelled to the Second Baptist church, Markham, for a baptismal service Tuesday of last week.

The opening of the service was conducted by Rev. Norman Rowan. Don Galbraith, Aurora, sang and Rev. A. R. Yielding, pastor of the Tabernacle, brought the message.

MURPHY PAINTS AND NARVO ENAMEL

The Common Round...

By Isabel Inglis Colville

NATURE'S BLUEPRINT

When I was a child the "Pansy" books were a part of every child's library and I remember having one given to me entitled, "Three People." It followed from childhood to manhood, the lives of three boys and told how Christianity brought the boy with the apparently hopeless background to a life successful in all its aspects, while another, who started out with the fairest prospects but lost all touch with Christ, ended a hopeless drunkard. I forget what happened to the third. But the book came back to me as I listened on Tuesday evening of last week, at the Evangelical Evening Auxiliary at Trinity United Church, Newmarket, to Mrs. Langley of Toronto speak on the lives of three women who had served her household in China.

It was a Thanksgiving service and Mrs. Langley spoke first of the innumerable reasons that we in Canada have for thankfulness. Our land, literally flowing with milk and honey, our liberties of thought and action, our high standard of living—all these are so much a matter of course to us that we accept them as our due and forget that we should give thanks for them every day of our lives.

Mrs. Langley then went on to speak of the three women. She said in China one had to have help and missionaries who had children and who had to learn the Chinese language and do the work they were sent out to do, had to have help to keep their homes running.

She told us that wheat had to be ground by hand to make the bread—in fact—every article of food needed some attention.

One day, she said, the gate-man at their compound came and told her that there was a woman who wished to speak to her. Then a tiny woman appeared with two little boys clinging to her. The woman was a mass of bruises and she said her husband had beaten her until now she was afraid he would murder her. You see, at that time, there was free access to opium and he was an opium eater, which, said Mrs. Langley, is even worse than being a drunkard. The woman asked if she might remain and work for food for her children and herself. This was granted and the children put in the mission school. She worked, as Mrs. Langley said, pathetically hard and refused to take the money she earned, saying that her husband would only take it from her for opium. So Mrs. Langley put it away for her.

Out of gratitude, that woman learned to read and so to study the Bible when she saw that it was the mainspring of the missionaries' kindness. She managed to reach her husband, roused him from his opium dreams and in their stead planted the seeds of Christianity, so that in time he became a Christian, a gate-man at the compound and one of his sons, a minister; while the small woman who had overcome so much, after a long service with the Langley's, became herself a missionary.

(Continued next week)

Brittany is a province in France, not England.

Trinity W.M.S. Holds Thanksgiving Meeting

The Thanksgiving meeting of the Women's Missionary Society of Trinity United Church, Newmarket, was held on Thursday afternoon, Oct. 13, in the Sunday-school room.

Devotional exercises were conducted by Mrs. Morton and Mrs. Winn, the theme being Thanksgiving. A section of the study book, "Growing with the Years," was reviewed by Mrs. Maitland who added interest to the subject by showing copies of the first publications of the newly-formed United Church of Canada 25 years ago.

Second Thursday of November is the date of the next meeting at which all ladies are welcome.

Shower Newmarket Girl Before Oct. 15. Wedding

A miscellaneous shower was held in honor of Miss Betty Scott, Newmarket, on Wednesday, Oct. 12, at the home of Mrs. Albert Maitland, Toronto. About 20 guests were present. The honoree who became the bride of Harold Thomas, Jr., on Saturday, Oct. 15, received many lovely gifts. Refreshments were served by the hostess at the close of a pleasant evening.

Another shower was held for Miss Scott on Saturday, Oct. 8. The hostess of this earlier affair was Mrs. Althea VanSant.

Hear Two Papers At Jr. Ladies' Aid

The Junior Ladies' Aid of the Christian Baptist Church, Newmarket, met at the home of Mrs. William Epworth on Tuesday evening, Oct. 11. Mrs. A. Kirbyson presided. The theme of the meeting was Thanksgiving with everyone answering the roll call in a fashion appropriate to the theme. Two very interesting papers were given by Mrs. Gordon Cook and Mrs. Bert Morrison. The topic of the first was "Gratitude" and the second was "Autumn and Thanksgiving."

After the business session, an enjoyable social hour was spent and refreshments were served. Assisting the hostess were Mrs. N. Darrach, Mrs. A. Kirbyson and Mrs. W. Adams.

DISCUSS TEA, BAZAAR

A meeting of the Women's Association of St. Andrew's Presbyterian Church, Newmarket, was held at the home of Mrs. John Hodge on Tuesday evening, Oct. 18. Mrs. Joseph Greer presided. The devotional period was conducted by Miss Margaret Gilmour and Mrs. W. G. Rosamond. The annual St. Andrew's Day tea and bazaar occupied the major portion of the business session. Afterwards refreshments were served by the hostess.

ENTERTAINS EXECUTIVES

Mrs. E. A. Mitchell entertained at afternoon tea on Thursday afternoon, Oct. 13, for the executive of the Newmarket Home and School Association, the School Mothers and the Class Mothers. Over 50 ladies gathered for the occasion. The table was centred with a bouquet of pink carnations and bouvardia. Dainty refreshments, the product of Mrs. Mitchell's famed cuisine, lively conversation and a friendly atmosphere made the tea one of unusual success.

WINS MONEY DOLL

The winner of the Miss White Collar doll was A. McCargay, 924 14th Ave. W., Calgary, Alta. The doll which was dressed in 25 one-dollar bills was drawn for at the October 17 meeting of the Newmarket Business and Professional Women's club.

'Service, Not Selfishness' Cock Describes Survey

Speaking before a meeting of the Business and Professional Women's club at the King George hotel, Newmarket, on Monday evening, Dr. Gordon Cock told of the current diabetes survey which is being conducted in Newmarket. Dr. Cock stressed the importance that there be as close to 100 percent participation as is possible.

He said it would be useless if a complete picture of the incidence in Newmarket was not presented. Because this is a disease which most frequently affected people in the age group of 60 or over, it is imperative that all the older residents of our community be tested. Dr. Cock said, "If we are able to test 97 percent of the school children, but only 60 percent of the over 60 group, a false picture of the situation will result."

"Slightly more than 25 years ago, two obscure research workers at the University of Toronto thrilled the world with their discovery of insulin. This act focused the attention of the world on Canada as a medical research centre," said Dr. Cock as he introduced the subject of diabetes to his audience. Dr. Frederick Banting who was killed during the war and his co-worker, Dr. C. H. Best, were the two men in question. Dr. Best is continuing this work.

At present, medical authorities have no idea how much diabetes there is in Canada. It is

—Miss Jean Mino, nurse-in-training at Toronto General hospital, was home on Sunday.

News of the W.I. In North York

News for this column must be in the office Monday night. Copy must be written as briefly as possible and confined to news and reports. Other than routine reports and announcements will be printed separately.

The Gormley branch will hold its monthly meeting on Oct. 26 at the home of Mrs. H. Moorby. Roll call to be answered by "How to keep good-natured." All members are asked to bring a gift for the adopted European child to this meeting. We will have as our guests this month the Snowball branch of the Women's Institute and everyone provide.

The Vandorf branch regular meeting was held at the home of Mrs. R. J. McCarron Wednesday, Oct. 12, with a good attendance. Mrs. George Richardson presided. The delegates appointed to the Toronto convention, Nov. 9, 10, 11, are Mrs. C. Powell, Mrs. C. Pogue, Mrs. Gordon Mackey and Mrs. Grant Morley. It was decided to pack some boxes to be sent to England and one to Lithuania. The topic on home economics was in charge of the convenor, Mrs. C. Powell, assisted by Mrs. Sleeth and Mrs. Niddery. They gave a demonstration on ironing a shirt which everyone enjoyed. The roll call was answered with "your baby picture," which was held in the form of a contest. The one guessing the most names of the babies was Mrs. Harold Dewsbury. Lunch was served by Mrs. C. Pogue, Mrs. W. Graham and Mrs. C. Ball.

Several of the Vandorf W.I. members attended the meeting at Temperanceville on Tuesday.

A goodly thing it is to meet in friendship's circle bright, Where nothing stains the pleasure sweet Or dims the radiant light. No unkind words our lips shall pass, No envy sour the mind; But each shall seek the common weal— The good of all mankind.

Think of one former Institute members, call on her and arrange to take her to the Grandmother's meeting of the Queensville branch to be held at the home of Mrs. Albert Milne on Wednesday, Oct. 26, at 2 o'clock. The roll-call is to be answered by your favorite verse of Scripture.

Pine Orchard branch met at the home of Mrs. John Ash on Wednesday afternoon, Oct. 12. There was a good attendance of 23 members and four visitors. Mrs. Ross Armitage is delegate to the area W.I. convention at the Royal York, Toronto, Nov. 9, 10 and 11, but all members are urged to attend as many sessions as they can. Mrs. B. H. Corner, our district president, was our guest of honor. Mrs. Corner gave a report on the officers' conference at Guelph and explained the new W.I. hand book. Program was in charge of Canadian Industries and Agriculture committee with Mrs. Harry Brammer in the chair. Current events by Mrs. M. McMillen. Paper on home-grown plants and flowers by Mrs. Douglas Hope and contest by Mrs. H. Brammer. Hostesses were Mrs. J. Ash, Mrs. R. Allen, Mrs. M. McMillen, Mrs. B. Dike, Mrs. D. Hope and Mrs. H. Brammer.

The Belhaven branch held its October meeting at the home of Mrs. W. Anderson with an attendance of 23. Lakeside branch, guest of the afternoon, supplied a splendid program. Mrs. Winston Prosser read an inspiring address by Dr. Cameron on Thanksgiving. Mrs. Percy Mahoney told of her visit to the Magnolia Gardens of South Carolina. Mrs. Leonard conducted an interesting quiz and Mrs. Wipple entertained with two numbers on her piano accordion. Everyone enjoyed the lunch during the social hour.

The members extend a welcome to all to attend the Pictures on Home Freezing supplied by the department and shown in the hall on Tuesday evening, Oct. 25. A lunch will be served later

Trinity W.A. Holds Spode Talk, Display

An illustrated Spode lecture will be presented on Friday, Nov. 4, at the Trinity United Church Sunday-school room at 8 p.m. Sponsored by the Women's Association, it is open to the public. China is dear to the heart of every woman and the name of "Spode" has long been associated with the idea of a beautifully set table.

The evening will include a talk by a representative from the firm and moving pictures. These will show the manufacture of Spode from the clay banks to the finished product. Accompanying the illustrated lecture will be a large display. There will be between 40 and 50 dinnerware and service plate designs in this exhibit.

Congregation Fetes Minister and Wife

Rev. and Mrs. E. J. Sanderson of North Dakota celebrated their 15th wedding anniversary on Oct. 10. The congregation of Mr. Sanderson's church tendered the couple a surprise party complete with a mock wedding. Mrs. Sanderson was presented with a corsage of carnations.

Refreshments were served by the ladies of the congregation and a big cake, decorated with a bride and groom, climaxed the party. Rev. and Mrs. Sanderson were presented with a purse of money.

In his letter to his mother, Mrs. Annie Sanderson, Newmarket, in which he told her of the anniversary party, Mr. Sanderson said that all members of the family were well and that they were enjoying exceptionally fine weather in North Dakota.

C.W.L. MEETING

The regular monthly meeting of the Newmarket division of the Catholic Women's League was held in St. John's school on Tuesday, Oct. 11. Mrs. Henry Moore presided. Plans were discussed for the holding of a second mixed, progressive bridge. This event will take place on Thursday, Nov. 3. A euchre will also be held at the school on Thursday, Oct. 27.

in the evening by the Belhaven branch.

The Lakeside branch will meet at the home of Mrs. Frank Marritt on Tuesday, Oct. 25. This will be a special meeting as Elmgrove branch will be our guest. We will be looking for you there.

A Poem . . .

In Newmarket there is but one Sporting Goods Store. In it you will find merchandise by the score. For skating or hockey, nothing but the best. While for high school a sweater or maybe a crest. Our Toyland for kiddies is sheer paradise. Our bicycles and accessories really look nice. For the brave hunter we have rifles and shells. As for the fishing, ask the fishermen themselves. For the babies we've carriages, rattles and swings. For the young girl we've dollies and lots of nice things. Now we'll grant you our store is no LARGE emporium. But brother, on high prices we've declared a moratorium. So come in, look around; there's no cover charge. The same cheerful service, be your purchase small or large.

THE HOMEMAKERS

Useful Plant - the Cauliflower

Don't throw away those outside stalks and leaves of the cauliflower. They are delicious as a vegetable, and, in addition, make an ideal base for soup. So when buying a head of cauliflower, consider it as two vegetables, the head as one and the stalks and leaves as the other.

To make sure the cauliflower is of high quality, see that the head or "curd" is snowy white, since a yellowish color indicates exposure to the sun and frequently a strong flavor. The head should be smooth and compact not rough-surfaced or loose and the outer leaves should be green and fresh-looking. Looseness in the head usually indicates over-maturity. If the cauliflower is wilted, it is probably old or has been shipped improperly.

CAULIFLOWER SOUP

1/2 Cup chopped cauliflower stalks and leaves
1 1/2 Cups boiling water
1/4 Tsp. salt
2 Tbsp. flour
2 Tbsp. butter
1 Tsp. salt
2 Cups hot milk

Wash cauliflower stalks and leaves. Chop coarsely or put through the food chopper using coarse blade. Measure. Cook, covered in 1 1/2 cups boiling water, with the 1/4 tsp. salt, until

SCALLOPED CAULIFLOWER

1 Medium cauliflower (3 - 3 1/2 lbs.)
1 1/2 Cups sauce (see below)
Buttered bread crumbs, grated cheese or diced bacon

Remove stems and leaves, wash cauliflower head thoroughly and place head down in cold salted water. Soak 30 minutes. Drain. Cook in boiling salted water until just tender, about 15 minutes. Drain well and separate into flowerets. Place in a greased baking dish and pour hot sauce over top, sprinkle with buttered bread crumbs, grated cheese or small pieces of bacon. Place in a very hot oven, 425 degrees until crumbs are brown or cheese melted. Yield: six servings.

SUGGESTED SAUCES FOR VARIATION

1. 1 1/2 Cups medium cream sauce seasoned with 1/4 tsp. nutmeg.
2. 1 1/2 Cups medium sauce with 1/4 cup grated cheese added.
3. 1 Can condensed mushroom, celery or onion soup, with or without 1/4 cup grated cheese added. Cheese may be cheddar or process (plain or pimento).

FRIED CAULIFLOWER

1 Medium cauliflower, broken in flowerets
2 Egg yolks
1/2 Cup milk
1/4 Cup flour
1/4 Tsp. salt

Cook cauliflower in boiling, salted water until tender, about 15 minutes. Drain well. Beat egg yolks until light, add milk, then stir in flour and salt. Beat batter until smooth. Dip each floweret in the batter then drop into hot fat, 350 degrees, and fry until brown. Serve plain or with a sauce. Yield: six servings.

"NERVES" She Called It

Losing interest—losing friends—she never went out any more—always too tired. "Nerves," she thought—but it was her kidneys—the filters of her blood—that needed attention. She used Dodd's Kidney Pills at once. The improved action of her kidneys helped to clear away blood impurities and excess acids. Fatigue, backache, headache, lack of energy disappeared. Dodd's Kidney Pills contain essential oils and medicinal ingredients that act directly upon the kidneys—and help restore their normal action.

Dodd's Kidney Pills

CAULIFLOWER STALKS AND LEAVES IN CHEESE SAUCE

3 Tbsp. butter 3 Tbsp. flour
1/4 Tsp. salt 1/4 Tsp. paprika
Few grains cayenne and black pepper
3/4 Tsp. dry mustard
1 1/2 Cups milk

1 Cup grated cheddar or diced process cheese
3 to 4 Cups cauliflower stalks and leaves, cut in thin strips

Buttered bread crumbs

Cut cauliflower stalks and leaves into thin strips about 2 inches in length. Cook, covered, in 1 cup boiling, salted water 35 minutes or in pressure cooker 15 minutes. Drain. Melt butter in top of double boiler. Blend in flour and seasonings. Add milk slowly, stirring until blended. Cook until sauce is smooth and thickened, then add cheese and stir until melted. Add cooked cauliflower. Place mixture in a greased baking dish, top with buttered bread crumbs and bake in a hot oven, 400 degrees, until crumbs are browned. Yield: six servings (3 cups).

Birthday wishes are extended this week to:

Shirley Bellar, Holland Landing, 11 years old on Friday, Oct. 14.

Catherine Laird Wrightman, Newmarket, eight years old on Monday, Oct. 17.

Marie Mitchell, Newmarket, 13 years old on Monday, Oct. 17.

Carol Pollock, Newmarket, seven years old on Monday, Oct. 17.

Dorothy Irene Gould, Aurora, seven years old on Monday, Oct. 17.

Dianne Margaret Baile, Newmarket, seven years old on Tuesday, Oct. 18.

Dorothy Irene Gould, Aurora, seven years old on Tuesday, Oct. 18.

Jackie Proctor, Schomberg, 14 years old on Wednesday, Oct. 19.

Sandra Sherlene Sheridan, Armitage, nine years old on Wednesday, Oct. 19.

Roger Peter Wesley Sedore, Cedar Brae, seven years old on Wednesday, Oct. 19.

Glenna Mae Jewitt, Kettleby, one year old on Wednesday, Oct. 19.

Jimmie Raymond, Newmarket, eight years old on Thursday, Oct. 20.

Marilyn Ann Eves, Locust Hill, ten years old on Thursday, Oct. 20.

Jane Chapman, Willow Beach, nine years old on Friday, Oct. 21.

Terrill Thompson, Willow Beach, three years old on Monday, Oct. 24.

Send in your name, address, age and become a member of The Newmarket Era and Express Birthday club.

LEGION AFTERNOON TEA

A very successful afternoon tea and bake sale was held by the Newmarket Legion Ladies' Auxiliary at the Scout Hall on Friday, Oct. 14. The head table was attractively decorated with fall flowers carrying out the harvest theme which was used in the other decorations about the hall. Pouring tea were Mrs. C. S. Gilbert and Mrs. Robert Bunn. In charge of the affair was Mrs. Arthur Sheridan and Mrs. Kenneth Ponting convoked the bake sale.

SHOWER HONORS COUPLE

A post-nuptial shower was held in honor of Mr. and Mrs. Bruce Black at the home of Mr. and Mrs. Carl Black, 4th con. King, on Oct. 11. Mr. and Mrs. Black were married in Winnipeg on Sept. 10 and are now residing in Ottawa. Mr. Black was for many years employed at Morrison's Men's Wear and now travels for the Office Specialty Co.

The honorees were the recipients of many lovely gifts. A very enjoyable evening was spent with over 75 attending the party. Refreshments were served by the hostess at the close of the evening.

SENIOR LADIES MEET

A meeting of the Senior Ladies' Aid and Missionary Society will be held in the Christian Baptist church, Newmarket, on Thursday, Oct. 27, at 2.30 p.m.

WAS GUEST SPEAKER

Rev. Petersen was guest speaker at the Egypt Community Sunday-school on Sunday, Oct. 9. There was an attendance of 164.

GIRLS' TRIO SINGS

The girls' double trio of the Christian Baptist church junior choir will sing at the W.I. meeting on Thursday at the home of Mrs. Stanley Miller.

NEAR RECOVERY

Mrs. W. H. Elms, Pleasant View Ave., Newmarket, fractured her hip on April 1. After about a three months' stay in bed she has been able to get up for the past three months, but had to use crutches. Now she is able to do without them and with the aid of a cane is able to get about more sprily. Mrs. Elms is looking forward to her first trip down town in the near future.

Mount Etna is located in Sicily.

YOUNG HOPEFULS BY DOROTHY MUIR BOWMAN

Jane is a Reticent One

Jane, eight years old, is an excellent student but doesn't speak up for herself among friends or to her teacher.

There are various reasons why children are reticent about speaking their minds except in the close confines and shelter of their own homes and to their own families.

In Jane's instance, since she is a timid type, it is reasonable to believe that she is timid about speaking, too. Jane will be freer in everything she does at home than the things she does away from home. Her mind and her muscles are more relaxed when she is in the security of her own home.

Some children are able to face situations in the outside world with more ease than others and sooner than others. In some cases, timidity is just a stage, while in others it persists inwardly although outward indications are sometimes completely obliterated in later years.

The fact that the child doesn't speak up for herself shouldn't be the subject of conversation in the child's presence. Nevertheless, drawing Jane into longer conversations at home will help give her confidence in herself away from home. Some of the away-from-home situations could even be enacted at home, too. Mother could pretend she is the teacher and play school with Jane.

During this game, mother should find out from Jane just what the teacher says if and for instance what questions she asks. Then after mother repeats what Jane quotes from the teacher's vocabulary, Jane could pretend to be one of the other pupils, who does a great deal of talking.

By school routine question and answer sessions at home, Jane would become accustomed to expressing her ideas and transference of language from home to school would be somewhat bridged.

Similarly, a game of a conversation among little friends would allow Jane an opportunity to hear herself conversing on the level of her school associates. Practice along this line at home would help her to take her place in less familiar environments, by building confidence in herself and her speaking voice.

SEE TRAIN OF TOMORROW

As a treat for the youngsters, Morton Bros., Newmarket, have taken two bus loads of school children down to Toronto to see the General Motors' Train of Tomorrow. On Tuesday, 35 high school students went down to the display and on Wednesday Mr. Hollingsworth class was taken.

Barbara Buys Whys

MONTREAL—Appetites are hearty these brisk autumn days . . . and "something chocolate" on the menu is sure to bring rounds of applause from all the family! Especially popular will chocolate dishes be if they are made with BAKER'S UNSWEETENED CHOCOLATE. Rich-coloured, full-flavoured—Baker's Chocolate is a careful blending of the choicest cacao beans, ground to satin-smoothness—with nothing added, nothing taken away. When I buy Baker's Chocolate I know I'm getting the best!

"My! . . . How Do You Manage To Keep Your Dining Room Table So Beautiful?"

That's what friends will ask you when you keep your furniture gleaming with JOHNSON'S CREAM WAX! It's so very easy to apply—almost as quick as dusting . . . and results are downright magical! You see, special cleansing ingredients in "Johnson's Cream Wax" remove dirt and stains when you apply it. And, because it's a genuine wax in quick-drying form, it puts on a polish quicker. And it's non-oily, so it dries absolutely dry and dust won't stick to it. Yes, with "Johnson's Cream Wax", your furniture, light woodwork, refrigerator—can be both cleaned and polished in a matter of minutes!

"I'm Head Over Heels In Love with my new FRIGIDAIRE REFRIGERATOR. It does so many wonderful things—like giving me ice cubes trigger-quick from its Quickube Trays—or keeping a week's supply of frozen foods in its big Super-Freezer. And I never get over how much general food storage space I have because of its 'bigger-but-smaller' cabinet design. Yes, when I think of all the other wonderful advantages: the Meter-Mixer mechanism that uses so little current, the full-width Hydrator that keeps fruits and leafy vegetables so garden-fresh, the big Meat-Tender that keeps fresh meats at their best—is it any wonder I'm head over heels in love with my new Frigidaire Refrigerator? You will be, too. See it at your Frigidaire Dealer's."

Witches Will Stir

—and the youngsters will love to have a party! They'll be particularly thrilled if their favourite dessert, JELL-O, comes to the party dressed as these merry Jack-O-Lanterns. Make faces with cur-rants on the rounded side of drained, canned peach halves. Mould each peach "face" in a serving glass of Lemon Jell-O. Serve with hearty wedges of chocolate cake—there'll be lots of cries for second helpings! For Jell-O's fresh-fruit flavour and sparkling colour is always popular. There are seven delicious "locked-in" flavours of Jell-O Jelly Powders.

Watch For The Word "New" on your grocer's . . .

CONDENSED SOUPS! New varieties are being added from time to time to the famous favourites you already know. Cream of Tomato, Vegetable, Chicken Noodle, Cream of Asparagus, Clam Chowder . . . all the "old stand-bys" that you like to see on your pantry shelves—they'll always be "tops" with your family and friends. But it's such fun to try something new! And there's always new excitement in store for you in your grocer's Soup department—when you see that famous Heinz label!

Thanksgiving Season is the time for counting your blessings—for mental stocktaking of the good things in your life! And, I'm sure you'll agree with me that the most important, from a woman's viewpoint, is security! Security such as comes from owning Canada Savings Bonds! Why not take the opportunity now of subscribing to the new series that has just gone on sale? Buy them the most convenient way through the BANK OF MONTREAL! Your B of M Manager will be glad to explain how you can purchase these valuable securities on the instalment plan. It's the best way I know to give yourself a Thanksgiving present that will continue to be a blessing for many Thanksgivings to come!

Perfect Dessert For Cool Autumn Days! . . . Gingerbread-Banana Shortcake made with FIVE ROSES FLOUR, the flour "for all-purpose baking!"

2 cups sifted Five Roses Flour 1/2 tspn. ginger
1/2 tspn. soda 1/2 cup shortening
1 1/2 tspn. baking powder 1 1/2 cup molasses
1 tspn. salt 2 eggs, unbeaten
1/2 tspn. nutmeg 1/2 cup milk
1/2 tspn. cloves 1/2 cup bananas
1/2 tspn. cinnamon

Sift together all the dry ingredients. Cream together the shortening and 1 cup of molasses. Stir in 1 cup of dry ingredients. Beat in eggs, one at a time. Combine milk with remaining 1/2 cup molasses; alternately add with remaining dry ingredients. Beat for half a minute. Bake for 45 minutes in a 9 inch square pan in a moderate oven (350 deg. F.). While hot, cut in squares and top with sliced ripe bananas and whipped cream or custard sauce.

And, for expert answers to your baking questions, write to Pauline Harvey, Director, The Five Roses Kitchen, P.O. Box 6100, Montreal, P.Q.

Johnny Hines Mending In St. Mike's, Toronto
Johnny Hines, Metropolitan hockey league prexy, underwent a successful operation at St. Michael's hospital, Toronto, Tuesday. The busman should soon be on the way to recovery though it will be some time before being able to resume a full share in the town hockey picture.
Also Spittires manager of last season, Johnny would like to see the team get cracking and all the boys back for another hockey whirl.

ON THE ALLEYS
By PIN-BOY
Ahoy, here we go on another tack for some Newmarket bowling scores. The polished boards both at Joe Smith's Uptown and Ernie Bennett's North End Alleys have been getting a heavy rolling this past week as all leagues are now in full swing. There's a full evening each week night at both centres.
The Men's Town League, now in its third week, shows Hisey's out front with six points followed by Office Specialty, Legion, Denne Electric, Motors, Dixons and Combines right on the leaders' necks with five each. Trail-enders are the Clover Kickers who are minus a show in the point column. Sid, Simmons is setting a blistering pace to lead in both high single and triple marks. Sid's 348 single and 748 triple gave him that honor. Bill Dunn's 332 and Ed. Gibson on a 732 triple run keep them in the runner-up spots. League president this term is Roy Gibson, Orval Hisey, vice-president, and Ken McNis is back for a return session as secretary and Gord. Chase handles the finances.
In Friday Night Mixed League, a four-team circuit by the way, the early birds have been on the war-path since Sept. 1 at the North End. Teams are: Slick Chicks, captained by Frank Burch, Eager Beavers, captained by "Bink" Wright, Stinkers with Earl Simmerson, captain, and Hep Cats by Jim Forhan. Incidentally that's how the teams stand in the race as lined up above. Norm. Walthe is president and secretary is Tom Whitfield. High single last week with the ladies was Irene Wright on a 198 count. Grace Walthe bowled 554 for triple honors. Earl Simmerson, taking his captaincy seriously, slapped down all opposition to snatch high single with 261 and also high triple with 644.
Thursday Night Ladies noted seven in the 500 circle. That's Marie McCabe with 540, Olive Hughson 533, Norma Peel 529, Beryl Reinke 527, Hazel Ben-nitz 525, Myrt Dunn 515 and just squeezing in Helen Cove-ney with 501.
Harry Thom's trundlers are the hot shots in the Davis Leather League, Wednesday night performers at the North End. It's 17 points for them. Geo. Smart's sextet and Len. Burling's men with 16 each are making it interesting for the front runners. Wait Groves' squad are well back in the

Title Softball Game Booked Sat. in Aurora
Here it is softball fans. Third and deciding game for the North York softball title is scheduled for Aurora town park this Saturday afternoon at 2.30 p.m. Respective managers "Cegars" McDon-ald of the Vets and Len Hol-man of the Meteors got to-gether Tuesday evening to settle data on the deciding fixture. Aurora won the toss and elected to take the game to Aurora. Vets are likely to be minus two of their regulars for the im-portant tussle, Normie Legge hol-idaying and Harvey Gibney out with a fractured digit. Iron Man Gibney fractured the finger in practice before last Saturday's double-header but carried on through both games. Injury wasn't dis-covered until Sunday even-ing.
So it corners. Come out fighting. May the best team win.

Elect Officers Monday At Badminton Club

Newmarket badminton boys and girls have caught hold of their racquets for another busy season. In fact Monday evening the over-the-webbing enthusiasts started their fall activities. All members and prospective mem-bers are asked to make a special attempt to be at the high school Monday evening at 8 p.m. for the annual meeting and election of officers for this year. Jack Ham-ilton says bring along your rac-quets for Monday. There'll be time to get in a few practice swings before the meeting con-venes. Jack also mentions the club would welcome any pros-pective members and is hopeful of increasing club membership for this year. Tournament ac-tivity will commence in the near future. The York-Simcoe Bad-minton league will probably em-brace Willowdale, Richmond Hill, Aurora, Newmarket and possibly Pickering College and Bradford.
league basement with seven marks. Andy Cullen in Tannery League prexy with Art Peppiatt in the treasury department.
Press Shop with 12 are two points ahead of Sheet Metal and Stores in the five-team Can-adian Hoffman loop. Machine Shop follows in fourth with six and last placers are Vorelone with four. President is Jack Duncan, Grant Blight, secretary, and Clarence Sainsbury handling the dough. Hot shooter to date has been Press Shop, captain, Frank Daniles, with high single of 308 and a triple chore of 744.

NEWS 'N' VIEWS
By GEORGE HASKETT
ERA AND EXPRESS SPORTS EDITOR
Softball's still on the sport calendar. Saturday's busy double header settled nothing. Proved softball is full of ups and downs. Twin bill's not a bad idea. Better rig it earlier in the season next year. Long shad-ows crept over the Aurora battle ground as death-grip ten-frame thriller closed. Tit for tat, Aurora humble Vets here, Vets crowd over Aurora triumph. Third and decider, barring snow storm, will probably be Satur-day. Site may bring about a long distance chin wag-ging session before settled.
Stars, um let's see, Bill Van-Zant hurled 19 long innings. Brother Chuck back-stopping as of old. Big-stick men, with Au-rora, Mac Clement and Norm Stunden. Ted Bennett fired eight-hit ball here. Dick Hamon eased Vets' player shortage in the second tilt. Vets usually-potent swingers off, Fred Dill-man, Tod Mosier, Bill VanZant put a lot of wham in their slams. Rhubarb: Manager Len. Holman quite within his rights to say "no" to runner for crippled Rod. McPhail. McPhail on the limp a couple of months now with gimpy ankle. Couldn't throttle beyond a hobbling gait. Stick-ing strictly to the letter of the law alright, still sportmanship has a spot in every sport. Vets didn't squeak as Meteors fielded seven regulars and rung in two ineligible.

Shinny Notes: Question is who'll start hockey rolling. Meeting is long overdue. Must do it without delay. Players restless. To take grab-full ad-vantage of artificial ice, should get hockey under one general head. Says athletic society. Artificial ice makes it possible for every team, be they tapdances or intermediates, to have ample ice time. Modernize the business end. Inaugurate over-all plan to bring players up through pee-wee, bantam, midget, juvenile, into junior and intermediate. Legion has sponsored midget in the past, Lions club juvenile, new Optimist club, concentrating on boys' work, might jump into bantam picture. Hoffman's has sponsored intermediates over past three years. May possibly do it again.
Metro loop marks time. Ru-mors thick and fast, this team, then that, not coming in. Last advice for what it's worth was all four would be back. And why not? All enjoyed a big sea-son last year. First vice-presi-dent Harold Rogers reports a pair of squads ready to step in, should door be open. They're veterans' organizations from Tor-onto. Home ice Richmond Hill and Nobleton. Opinion, after sizing up comments, players and fans hereabouts, "that's getting away from Trolley League idea." That's one for the league execu-tive to work on.
Stouffville, if you can believe half you see and one-third you hear, is practising at Oshawa. Has players from A - 1 to Owen Sound showing. At least two of last year's Spits, Gord. Bone and "Swiftly" Todd, are among

the lot. The thought we get, is what happens to their home town boys. Wonder, too, if O.H.A. will repeat last year's performance and look the other way when considering their cer-tificates.
Haskett's Hash: Look good, look sharp. Hope softball crew shortly dons new ball jackets. Finished up season with sizeable cash balance. Fact is practically all Lake Simcoe teams were in the dough. Ross Chapman and league governors convene short-ly to close books on '49. Execu-tive - that's Ross Chapman, Fred McLeod, Murray Roberts, Archie Dike and Horace Pear-son did a fine job. Ditto publi-city man Claude Pollock. Thanks for co-operation, men. See you across the score sheets next May. Harold Gwyn was again leading scorer last Friday as Bradford lost first South Simcoe Lacrosse League game. West Andrew St. pair, of Andy Gatti and Matt Walsh, did the whistle tooting. Had a lot of fun pull-ing battlers apart in last five minutes.
Ken "Big Boy" Broughton may be available for ice action here. Just missed the boat with Grand Rapids of Michigan-Ontario pro-circuit. Could use him to ad-vantage at that.
New Toronto Legion won the Ontario Intermediate B softball bunting. Vets gave them as tough a go as anyone.
Like your hockey via the air-waves? Barrie's home junior "A" games are wafted over CK BB, 12.30 on your dial. Bill Hewitt, Foster's son, at the mike.

Invitation Tourney Held at Local Greens

The fine Saturday afternoon sunshine brought out a host of lawn bowlers at the Newmarket greens for an invitation doubles tournament. Top prize went to Larry Bell and Tommy Scott with highest mark for three wins. Jack Luck and Kester Hugo combined to take away second prize for high with two wins. A Toronto rink broke the Newmarket string drawing third prize with a top score for one win. The winners took home chickens as their prizes.
Women first appeared as pro-fessional dancers on the French stage in the 17th century.

DOWN THE CENTRE BY AB HULSE

Hawks Gear Up For Ice Chores

Aurora Blackhawks took the ice last Sunday for practice at Barrie arena, and coach Red Mitchell and manager Earl At-tridge were well pleased with what they saw. Over 30 hope-fuls were in action, and they didn't include one or two Galt prospects who may be on hand later. From the '49 squad, Jack Atkinson, looking better than ever, Bill McElhee, Grant Firth, Billy Attridge, Orlie Thoms, Don Gibson, Ron Simmons and Bill Wilkinson were on hand. Aurora juveniles were out in force, Tommy Hulme, Hugh Met-tice, Bill Dale, Grant Winters, Andy Closs, Boyle, Marchant, and the rest provided plenty of zip with their enthusiasm. Bruce McMillan, last year with Sutton Intermediates and formerly with Victoria Square, and Keith Col-lings who had intermediate ex-perience with Bradford, joined the squad and should be able to make the grade. Green, a big defenceman from Lindsay, along with Davis, a forward from Lindsay, impressed the railbirds. Green is expected to join the squad, but there is some doubt whether or not Davis will seek a post. Woodbridge, Maple and Newmarket juveniles provided other candidates. Dougie Moore, who at present is working daily as practice goalie for Oshawa Generals, didn't attend the workout, but may be out later. Bud McGuire from Stroud was the leading candidate for the nets and he appeared to be sharp in his movements. Giffin from Bradford juveniles, along with Hulme, worked with the pads and Moore will find plenty of opposition if he returns. Next week another practice will be held. The matter of territory, imports, etc., is being cleared with the O.H.A. this week, and that will give the management a clearer picture of what they may expect. The O.H.A. rulings have so many angles, and have been changed, or by-passed so often that aside from Messrs. Panter and Hewitt, it's as clear as mud.
Sport snapshots: Howard Pat-rick banged down 25 clay pigeons in a row at the Whit-church Gun club at the weekend. It was the first time for any member and he will be awarded a crest. "Doc" Taylor from King was next in line with 23 straight. Scotty Mair, who along with Flash Hollett, form the ve-terans of Toronto Marlboros, in the senior O.H.A., certainly started the season with a bang, collecting six scoring points. Friday night he performed the hat trick and got an assist and on Saturday night in the Sound he banged home two more counters. The ex-Aurora junior will be a strong candidate for O.H.A. scoring honors. Hollett, because of his Lake Simcoe soft-ball connections a few years back, and Frank Sullivan, ex-Richmond Hill junior, give the Dukes quite a following through-out North York. Harry Hill has been re-elected president of the Richmond Hill tennis club. The till net enthusiasts after install-ing lights on their courts ended up in blue ink to the tune of \$132.37. The club produced the outstanding crop of junior play-ers in the district this year. Roy Bick heads the Hill badminton club which is readying for com-petition with Aurora, Newmar-ket, Bradford and Willowdale. The King and Vaughan plowing match will be held on Friday, Oct. 28, at the farm of Henry Borden, on the 5th concession. It will be a gala day, and there's no admission charge. Wrestling, of all things, has sprung into ac-tion at both King and Aurora. Bob McLeod, formerly connected with Toronto Central "Y", is the leading spirit. There are around 15 members of the King club, while Hart Manufacturing is looking after the Aurora end. Aurora Canadian Legion has do-nated equipment for the use of the Aurora club. Boxing will likely be included shortly. Mal-cola Richardson, well known district sportsman and one of the key figures in the thorough-bred breeding business and the Aurora Horse Show, picked up \$4,200 for two yearlings at the recent thoroughbred sale at To-ronto Woodbine. No less a figure than E. P. Taylor purchased a bay filly for \$2,700, sired by Johnston. Bill Bensley, the amusement king, picked up a bay colt sired by Boswell.

Vets, Aurora Match Wins In Finals In Hectic Series

The long delayed, much dis-cussed issue of the North York Softball League championship is still very much alive. Vets and Aurora share the booty from their twin-bill Saturday. Two clashes demonstrated, as any fan will tell you, what startling reversals of form can crop up in the small diamond sport.
Aurora "Meteors" breezed in-to Newmarket Saturday and dumped the defending cham-pions unceremoniously 12-3. Be-fore the teams moved to Aurora, fans wouldn't have wagered a thin dime on the Vets' chances. But as on many a previous oc-casion, when they were peeking around from behind the eight ball, MacDonald's men rose from the deepest shadows of defeat to eke out a 12-11 win over a ten-innings stretch in Aurora the same day. The lat-ter assault brought about better ball and was more in keeping with the Newmarket-Aurora softball feud built up over the past years. There's little doubt it kept the fans at their nail-bit-ting exercises down through the later stages.
Draw up a chair, and we'll brief you on the Newmarket end of the fun. Manager Len. Holman sent Ted Bennett to the mound for Aurora. Bill Van-Zant, Vets' lone moundsman, countered. Came kept at an even pace until the fifth at a one all tie. Ted Bennett, easing his own burden, passed a long four-base scooter into left centre. Vets earned a tie in the third as Tod Mosier skipped home on his by Bill VanZant and Fred Dillman.
From the fifth on it was an Aurora show. Aurora hitters, notably Herb. Rose, Earl Mac-Donald, Norm Stunden, Mac Clement, and "Dewey" Doo-little, reared back on their hind legs to pelt Bill VanZant far and wide. Their solid sending allowed Aurora three runs in the fifth, two in the sixth and a jack-pot four in the seventh. A pair of tallies in the eighth hiked their two-figure count up to twelve.
Vets showed in the scoring column for a single run in the sixth on Tod Mosier's free ticket and Fred Dillman's second hit. Harry Boag bunted safely to open the seventh and finished the plateward stint on binoles by Bill VanZant and Ted Mosier. That was three for the Vets and their run scoring was killed at this point.
Vets Cook, Aurora Simmers. Fans Cross Fingers
This brings us around to the Aurora end of the busy after-noon. Meteors started away like they intended to once again kick the daylight out of the Vets. They vaulted into a 7-2 lead after four innings, three in the first off a combination of two errors and doubles by Herb. Rose, Ted Bennett and Geo.

MORE RASPBERRIES

After receiving fresh raspber-ries from the garden of Mr. and Mrs. Nelson for last week. The Era and Express office this week received a bunch of raspberry branches bearing fruit from the farm of Elmer Starr.

CRAY CHAIRS
Direct to Downtown in any town
You'll find it really handy to travel by bus - right from downtown in your town to down-town in any town along the route. For business or pleasure the Main Street landing is tops in travel convenience. Plan your next trip by bus. You'll enjoy it.
NEW YORK \$19.40
TORONTO \$1.65
